 - Born in **Rajkot** on **30th December 1924**.
 - Participated in the **Quit India Movement (1942)** and was imprisoned for 10 months.
 - Mentored by **Acharya Narendra Dev**, which shaped his socialist ideology.
 - Married **Mangala Parikh**, a Gandhian and Shantiniketan alumna, in 1948.
- **Contributions to Public Life:**
 - **Medical Service:** A practicing doctor in Mumbai and rural Maharashtra; ran clinics for decades, treating the underprivileged at nominal charges.
 - **Labour Movement:** Active in **Hind Mazdoor Sabha**, leading workers' struggles for rights and dignity.
 - **Political Role:** Associated with **Samajwadi Paksha**, **Seva Dal**, and later the **Janata Party** after the Emergency.

- **Emergency Era:** Arrested during the [Emergency](#); linked with the Baroda Dynamite case.
- **Yusuf Meherally Centre:** Founded in **1962** at **Taara village, Panvel (Raigad district, Maharashtra)**.
 - Promoted **Gramodyog (village industries)** aligned with Gandhian ideals.
- **Social and Political Movements:**
 - Builder of **consumer co-operatives** like Apna Bazaar, Gaondevi Society, and Nan Chowk Society.
 - Promoted **women's empowerment** through Samajwadi Mahila Sabha.
 - Advocated for **communal harmony**, led a **Bharat Yatra (2005)** to involve youth in grassroots development.
 - Supported [zero-carbon initiatives](#) and experimented with sustainable agriculture.
- **Legacy & Relevance:**
 - Embodied [Gandhian values](#) of service, self-reliance, and grassroots empowerment.
 - His life reflects the **interlinkage of freedom struggle, [socialism](#), and community development**—a model of democratic socialism in practice.

International Day of Non-Violence | National Current Affairs | 03 Oct 2025

Why in News?

In India, **2nd October** is celebrated as **Gandhi Jayanti**, honouring Mahatma Gandhi's birth anniversary.

- The day is also observed worldwide as the **International Day of Non-Violence**, following a 2007 UN resolution supported by over 140 countries, giving it universal significance.

Key Facts About Mahatma Gandhi

- **Birth:** 2nd October **1869** in **Porbandar (Gujarat)**.
- **Brief Profile:** Lawyer, politician, social activist, and writer who became the leader of the nationalist movement against the British rule of India.
- **Books:** Hind Swaraj, My Experiments with Truth (Autobiography)
- **Death:** He was **shot dead by Nathuram Godse on 30th January 1948**.
 - 30th January is observed as [Martyrs' Day](#).
- **Role in India's Freedom Struggle**
 - **Leadership of the Indian National Congress (INC):** Mahatma Gandhi emerged as a **prominent leader of the INC** in the early 20th century, **advocating for non-violent resistance and mass mobilisation** to challenge British rule.
 - The **Belgaum session in 1924** was the only Congress session that was presided over by Gandhi Ji.
 - **Non-Cooperation Movement (NCM) (1920-1922):** Gandhi **launched the NCM** in response to the [Jallianwala Bagh massacre](#) and the repressive [Rowlatt Act](#).
 - He **urged Indians to boycott** British institutions, goods, and honours, leading to widespread participation across the country.
 - Gandhi Ji was awarded the **Kaisar-i-Hind gold medal in 1915** for his service in the **Boer War**, but **returned it in 1920** to protest the Jallianwala Bagh massacre.
 - **Salt March (1930):** Gandhi led the **Salt March** to the Gujarati coastal **town of Dandi**, protesting the British salt tax. This marked the beginning of the **Civil Disobedience Movement**.
 - **Quit India Movement (QIM) (1942):** Gandhi called for the QIM, demanding an end to

British rule in India.

- His slogan, "**Do or Die**," inspired millions to participate in protests, strikes, and acts of civil disobedience, marking a significant escalation in the freedom struggle.
 - **Philosophy of Non-Violence:** Throughout his activism, Gandhi emphasised the principles of [Satyagraha \(truth force\) and Ahimsa \(non-violence\)](#), advocating for peaceful protests and moral integrity.
 - His approach not only influenced the Indian independence movement but also inspired civil rights movements worldwide, such as [Nelson Mandela](#) and [Martin Luther King Jr.](#)

AYUSH Systems of Medicine

AYUSH encompasses Ayurveda, Yoga & Naturopathy, Unani, Siddha, Sowa Rigpa, and Homeopathy, with Ayurveda having a documented history of 5000+ years.

Ayurveda

- **Samhita Period (1000 BC):**
Emerged as mature medical system
 - **Charaka Samhita:** Oldest and most authoritative text
 - **Sushruta Samhita:** Gives fundamental principles and therapeutic methods in eight specialties
- **Main Schools:**
 - **Punarvasu Atreya** - School of physicians
 - **Divodasa Dhanvantari** - School of surgeons

Lord Brahma is believed to be the 1st proponent of Ayurveda

Branches of Ayurveda:

- | | |
|--|--|
| ■ Kayachikitsa (internal medicine) | ■ Agada Tantra (toxicology) |
| ■ Shalya Tantra (surgery) | ■ Bhootavidya (psychiatry) |
| ■ Shalakya Tantra (disease of supra-clavicular origin) | ■ Rasayana Tantra (rejuvenation and geriatrics) |
| ■ Kaumarabhritya (paediatrics) | ■ Vajikarana (eugenics & science of aphrodisiac) |

Yoga & Naturopathy

- **Naturopathy:** Healing with help of 5 natural elements - Earth, Water, Air, Fire and Ether
 - Based on theories of self-healing capacity of body and principles of healthy living
 - Encourages a **person-centred approach** rather than disease-centred

Yoga first propounded by Maharishi Patanjali in systematic form Yogsutra

Unani

Pioneered in Greece, developed by Arabs as 7 principles (Umoor-e-Tabbiya)

- Based on the framework of teachings of **Buqrat** (Hippocrates) and **Jalinoos** (Galen)
 - Hippocratic theory of **four humors** viz. blood, phlegm, yellow bile, and black bile
- **Recognised by WHO** and granted official status by India as an alternative health system

Siddha

Dates back to 10000 – 4000 BC; **Siddhar Agasthiyar** - Father of Siddha Medicine

- Preventive, promotive, curative, rejuvenative, and rehabilitative health care
- **4 Components:** Latro-chemistry, Medical practice, Yogic practice & Wisdom
- Diagnosis based on 3 humors (**Mukkutram**) and 8 vital tests (**Ennvagai Thervu**)

Sowa Rigpa

Origin: Lord Buddha in India before 2500 years

- Traditional medicine in Himalayan regions of Ladakh, Himachal Pradesh, Arunachal Pradesh, etc.
- Recognised in India by Indian Medicine Central Council Act, 1970 (As amended in 2010)

Homeopathy

German physician **Dr. Christian F. S. Hahnemann** codified its fundamental principles

- Medicines prepared mainly from natural substances (plant products, minerals, animal sources)
- Brought in India by European missionaries - 1810; official recognition - 1948
- **3 Key Principles:**
 - *Similia Similibus Curentur* (let likes be cured by likes)
 - Single Medicine
 - Minimum Dose
