## Henley Passport Index 2026 | National Current Affairs | 19 Feb 2026

### Why in News?

India's passport has climbed in the **2026 Henley Passport Index**, a globally recognised ranking of passports based on **visa-free travel access**. The rise in rank reflects **enhanced global mobility** for Indian citizens and strengthened diplomatic relations.

### Key Points:

- **Global Ranking:** India's passport has moved to the **75th position** in the 2026 Henley Passport Index, rising **10 places from 85th in 2025**.
  - Indian passport holders can now enter **56 countries** without a prior visa, including those allowing **visa-free entry, visa-on-arrival, or electronic travel authorisation (ETA)**, facilitating ease of international movement.
- **Methodology:** The index, published by **Henley & Partners**, ranks **199 passports across 227 destinations** using data from the **International Air Transport Association (IATA)**, based on **ease of entry without prior visa approval**.
  - **Top-Ranked Passports:** **Singapore** retains the top position with **192 visa-free destinations**, followed closely by **Japan and South Korea**.
  - **Bottom-Ranked Passports:** Countries like **Afghanistan, Iraq, and Syria** remain at the bottom of the index, reflecting **restricted international mobility** due to geopolitical and security challenges.
- **Regional Comparison:** India ranks above several **South Asian** peers such as Bangladesh, Pakistan, and Nepal, while Maldives ranks substantially higher in the region.
- **Significance:** The improved ranking indicates **strengthened diplomatic ties, enhanced business and tourism opportunities**, and **better international recognition of Indian citizens' travel freedom**.
