National Marine Fisheries Census 2025 Launched

Why in News?

The Union Minister of State for Fisheries, Animal Husbandry and Dairying, **Shri George Kurian**, launched the **National Marine Fisheries Census (MFC) 2025** at **ICAR–Central Marine Fisheries Research Institute (CMFRI)**, Kochi.

- 💡 This marks India's **first fully digitised fisheries census**, representing a major stride towards **data-driven and technology-enabled marine governance**.

Key Points

💡 About:

- ✦ The **National Marine Fisheries Census 2025** is a **45-day nationwide exercise** designed to collect comprehensive data on India's marine fishing sector.
- ✦ It will cover **1.2 million fisher households** across **4,000 marine fishing villages** in **nine coastal States and four Union Territories**.
- ✦ The enumeration will be conducted from **3rd November to 18th December, 2025**.
- ✦ The initiative is coordinated by the **Department of Fisheries (DoF)** under the **Ministry of Fisheries, Animal Husbandry and Dairying**, with **CMFRI** as the nodal agency and the **Fishery Survey of India (FSI)** as the operational partner.

💡 Purpose and Objectives:

- ✦ To create a **comprehensive digital database** of marine fishing communities, infrastructure, and socio-economic indicators.
- ✦ To **modernise fisheries management** and improve welfare delivery through verified digital data.
- ✦ To link all fishers with the **National Fisheries Digital Platform (NFDPP)** for streamlined access to government schemes.
- ✦ To facilitate better implementation of **Pradhan Mantri Matsya Kisan Samridhi Sah-Yojana (PM-MKSSY)** and **Pradhan Mantri Matsya Sampada Yojana (PMMSY)**.

- 💡 **Digitised and Real-Time Data Collection:** For the first time, the Census adopts a fully digital mode, using two dedicated mobile applications developed by CMFRI to ensure accuracy, transparency, and efficiency.

Mobile Application	Core Function	Impact on the Census
VyAS Bharat	Data Capture and Geo-referencing	Used by field staff to collect socio-economic data from 1.2 million fisher households and key statistics. Links each data entry to a specific location through geo-referencing.
VyAS Sutra	Verification and Monitoring	Enables instant validation of field data and provides a centralised platform for live monitoring of the enumeration process across the country.

Haryana Day 2025

Why in News?

The **Prime Minister** extended warm greetings to the people of **Haryana** on the occasion of **Haryana Day (1st November 2025)**, lauding the state's farmers for their diligence, soldiers for their courage, and youth for their achievements.

Key Points

- 💡 Haryana was officially formed on **1st November 1966**, following the **reorganisation of Punjab** on linguistic grounds.
- 💡 The move aimed to give administrative recognition to **Hindi-speaking regions**, ensuring better governance and cultural identity.
- 💡 The **Shah Commission**, constituted in April 1966, was tasked with recommending the division of Punjab based on language and administrative feasibility.
- 💡 The Commission submitted its report in **May 1966**, and most of its recommendations were implemented, leading to the creation of Haryana.

- 💡 The name '**Haryana**', derived from Sanskrit (*Hari* – God, *Ayana* – home), literally means "**Abode of God.**"
- ✦ With a **population of around 25 million**, it is among India's **most industrialised and agriculturally advanced** states.
- ✦ Known as the "**Breadbasket of India,**" it plays a vital role in **food security and grain procurement.**

The Punjab Reorganisation Act, 1966

- 💡 The **Punjab Reorganisation Act, 1966** enacted by the **Indian Parliament** provided the legal framework for Haryana's creation and the redistribution of Punjab's administrative, territorial, and institutional setup.

Key Provisions of the Act:

Aspect	Details
Formation of Haryana	The Act defined the Hindi-speaking districts of Hissar, Rohtak, Gurgaon, Karnal, and Mahendragarh, along with parts of other districts, as forming the new State of Haryana .
Creation of Chandigarh (Union Territory)	Chandigarh was declared a Union Territory and made the shared capital of both Punjab and Haryana.
Transfer to Himachal Pradesh	The hilly areas of the former Punjab, including Kangra and Kullu , were merged with the Union Territory of Himachal Pradesh .
Common High Court	The Act established the Punjab and Haryana High Court , serving both states and the Union Territory of Chandigarh.
Division of Assets and Liabilities	Assets, debts, land, government employees, and key projects such as Bhakra-Nangal and Beas were divided among Punjab, Haryana, and the Union of India . Mechanisms were set up for shared management of inter-state resources.

LVM3-M5 Launch: ISRO Shoots Off India's Heaviest Communication Satellite 'GSAT-7R'

Why in News?

India's space capabilities received a major upgrade on **November 2, 2025**, when the **Indian Space Research Organisation (ISRO)** successfully deployed **GSAT-7R**, a next-generation communication satellite for the **Indian Navy**, using its **LVM3-M5** heavy-lift rocket popularly known as '**Bahubali**' from **Sriharikota**.

Key Points

About GSAT-7R

- 💡 Designed exclusively for the **Indian Navy** to modernize its maritime communication and command infrastructure.
- 💡 Fully indigenous, equipped with **multi-band transponders** to support **voice, video, and data relay** across surface, sub-surface, and aerial naval assets.
- 💡 Provides uninterrupted, encrypted connectivity across the **entire Indian Ocean Region (IOR)**.
- 💡 Enhances **real-time situational awareness**, enabling joint coordination between **ships, submarines, aircraft, and command centres**.
- 💡 Acts as a **force multiplier** in India's maritime domain awareness grid, ensuring secure and resilient communication during operations.

About the Launch Vehicle – LVM3-M5 ('Bahubali')

- 💡 India's **heaviest operational rocket**, earlier known as **GSLV Mk-III**.
- 💡 **Payload Capacity:**
 - ✦ Up to **4,000 kg** to **Geosynchronous Transfer Orbit (GTO)**.
 - ✦ Up to **8,000 kg** to **Low Earth Orbit (LEO)**.
- 💡 **Configuration:** A **three-stage launch system** comprising:
 - ✦ **S200** solid strap-on boosters for liftoff thrust.
 - ✦ **L110** liquid core stage powered by **twin Vikas engines**.

✦ **C25** cryogenic upper stage — developed entirely in India.

💡 Serves as the **baseline launcher for the Gaganyaan Human Spaceflight Mission**, where its modified version is called **Human-Rated LVM3 (HRLV)**.

💡 **Nickname 'Bahubali'** reflects its immense lifting strength and consistent reliability across missions.

Development Background

💡 The M5 mission is the **fifth successful flight** in the LVM3 series, continuing ISRO's flawless streak with this vehicle.

💡 Follows earlier satellites like **GSAT-7 (Rukmini)** for the Navy and **GSAT-7A** for the Air Force, extending India's defence communication capabilities.

💡 **Length:** Approximately **96 km** long tidal creek.

💡 **Dispute:** India–Pakistan boundary dispute — India considers the **mid-channel** as the border, while Pakistan claims the **eastern bank**.

💡 **Strategic Importance:**

✦ Serves as a **sensitive coastal security zone** and **strategic maritime boundary**.

✦ Crucial for **naval and coastal surveillance**, especially under **Western Naval Command**.

✦ Rich in **marine resources**; potential **Exclusive Economic Zone (EEZ)** implications.

✦ Environmentally significant — part of the **Indus Delta ecosystem**.

Tri-Services Exercise 'Trishul 2025'

Why in News

The Tri-Services Exercise 'Trishul 2025' will commence on **November 3, 2025**, led by the **Indian Navy**, integrating **Army, Air Force, and maritime elements** across the **Sir Creek and desert sectors of Gujarat and Rajasthan**, extending into the **northern Arabian Sea**.

Key Details

💡 The large-scale exercise is **led by the Indian Navy**, coordinated by the **Western Naval Command**, with active participation from the **Army's Southern Command**, the **Navy's Western Command**, and the **IAF's South Western Command**.

💡 **Aim of the Exercise:**

- ✦ Validate joint operational procedures.
- ✦ Enhance interoperability among the three services.
- ✦ Strengthen networked command integration for multi-domain operations.

Sir Creek

💡 **Location:** Marshy estuarine area between **Kutch (Gujarat, India)** and **Sindh (Pakistan)**, where the **Rann of Kutch** meets the **Arabian Sea**.

International Day to End Impunity for Crimes Against Journalists (IDEI) 2025

Why in News?

On **2 November 2025**, the annual **International Day to End Impunity for Crimes Against Journalists** is being observed under the auspices of the **UNESCO** with a special focus on **"AI-facilitated Gender-Based Violence against Women Journalists."** The campaign this year draws attention to how artificial intelligence enables new forms of harassment and silencing of women in media.

Key Points

💡 The Day was established by the **United Nations General Assembly** in **2013** in response to the **killing of French journalists Ghislaine Dupont and Claude Verlon** in Mali.

💡 **UNESCO's Campaign:** The organisation is rolling out its **"CTRL + ALT + MUTE"** awareness initiative to highlight vulnerabilities faced by women journalists and to mobilise action against impunity and digital violence.

💡 **2025 Theme:** The focus on **AI-enabled gender violence** realises the fact that online abuse — including deepfakes, doxxing, and orchestrated trolling — has become a significant threat to women journalists' safety and freedom.

- 🔦 **Global Data:** Between 2006 and 2024, more than **1,700 journalists** were killed globally; roughly **nine out of ten** such killings have not resulted in justice.

United Nations Educational, Scientific and Cultural Organization (UNESCO)

- 🔦 **Founded:** 1945 (Constitution came into force in 1946)
- 🔦 **Headquarters:** Paris, France
- 🔦 **Mandate:** To promote international cooperation in education, the sciences, culture, and communication in order to foster peace, sustainable development, and human rights worldwide.
- 🔦 **Key Functions**
 - ✦ Sets global norms and standards in its fields of expertise.
 - ✦ Develops tools and programmes for international cooperation.
 - ✦ Produces knowledge and supports evidence-based policymaking for member states.
 - ✦ Maintains networks of sites and institutions, such as World Heritage Sites, Biosphere Reserves, and Creative Cities.

🔦 About the Tournament:

- ✦ The 2025 tournament was the **13th edition** of the Women's Cricket World Cup. It is held after a gap of 4 years.
- ✦ India and Sri Lanka hosted a total of 8 teams.
- ✦ **Winners of last 4 editions:**
 - 📎 **2013:** Australia
 - 📎 **2017:** England
 - 📎 **2022:** Australia
 - 📎 **2025:** India

🔦 Key Highlights of the 2025 Final:

- ✦ **Coach (India):** Amol Muzumdar
- ✦ **Captain (South Africa):** Laura Wolvaardt
- ✦ **Player of the Match:** Shafali Verma
- ✦ **Player of the Tournament:** Deepti Sharma

🔦 Awards:

- ✦ ICC declared a prize-money kitty of **USD 4.48 million** (\approx ₹ 39 crore) for the champions.
- ✦ **The Board of Control for Cricket in India (BCCI)** announced a cash reward of **₹ 51 crore** for the Indian women's team after their win.

137 Indian Institutions in QS Rankings Asia 2026

Why in News?

Prime Minister Narendra Modi highlighted the record increase in Indian universities in the **QS rankings**, reiterating the government's commitment to quality education, research, and innovation.

- 🔦 **Quacquarelli Symonds (QS)** is a London-based global higher education analyst best known for its widely recognised **QS World University Rankings**.

Key Points

- 🔦 **About:** The QS World University Rankings: Asia 2026 reveals that **no Indian university is in the top 50**, but **India added 137 universities**, marking a 1,125% increase in representation since 2016.
- ✦ India now has 294 universities in the **QS Asia Rankings**, making it the **second highest after China**, which added 261 universities, bringing its total to 395.

India Women Win 2025 World Cup

Why in News?

India's women's cricket team created history by clinching their **first-ever ICC Women's ODI World Cup** title after **defeating South Africa** in the final.

Key Details

- 🔦 **India's Journey:**
 - ✦ India had previously reached the **finals in 2005 and 2017**, losing to Australia and England, respectively.
 - ✦ India thus became the **fourth team** to win the Women's World Cup (under the captaincy of **Harmanpreet Kaur**), after **Australia, England, and New Zealand**.

- ✦ Indian institutions continue to perform strongly in **academic reputation**, **research productivity**, and **employer reputation**, but lag behind in **internationalisation** and **research visibility**.

💡 Top Performers in Asia:

- ✦ **University of Hong Kong**: Ranked **1st**.
- ✦ **Peking University**: Ranked **2nd**.
- ✦ **National University of Singapore (NUS)** and **Nanyang Technological University (NTU)**: Ranked **3rd** (tied).

💡 Top Indian Institutions:

- ✦ **IIT Delhi**: **59th** (down from **44th** in 2025).
- ✦ **IIT Bombay**: **71st** (down from **48th** in 2025).
- ✦ **IISc Bengaluru**: **64th** (down from **62nd** in 2025).
- ✦ **IIT Madras**: **70th** (down from **56th** in 2025).
- ✦ **IIT Kanpur**: **77th** (down from **67th** in 2025).
- ✦ **Delhi University**: **95th** (down from **81st** in 2025).

💡 Private Institutions' Growth:

- ✦ **Chandigarh University** improved to **109th** (from **120th** in 2025).
- ✦ **BITS Pilani**, **Shoolini University**, and **O.P. Jindal Global University** also achieved their highest-ever rankings.

Amul Ranked 1st Among World's Top Cooperatives

Why in News?

Union Home Minister and Minister of Cooperation, Amit Shah, congratulated **Amul** and **Indian Farmers Fertiliser Cooperative Limited (IFFCO)** for securing the **1st and 2nd ranks** among the top ten cooperatives globally, according to the **ICA World Cooperative Monitor 2025 report**.

- 💡 This milestone was recognized during the **ICA CM50 Conference** held in **Doha, Qatar**.

Key Points

- 💡 The **International Cooperative Alliance (ICA)**, in collaboration with the **European Research Institute on Cooperative and Social Enterprises (EURICSE)**, released the **2025 edition of the World Cooperative Monitor (WCM)**, marking the **UN International Year of Cooperatives**.
- 💡 The **13th edition of the WCM** provides a comprehensive overview of the global **cooperative sector**, showcasing cooperatives' contributions to **sustainable, inclusive, and resilient economies** worldwide.
- 💡 The **2025 report** features the **Top 300 cooperatives**, highlighting their **economic impact** across sectors like **agriculture, finance, health, energy, and education**, with a combined turnover of **USD 2.79 trillion** in 2023.
- ✦ By **turnover relative to GDP per capita**, **India's Amul and IFFCO** top the global list, highlighting the strength of cooperatives in **emerging economies**.
- ✦ This ranking underscores the **strength and potential** of **India's cooperative sector** in driving economic empowerment and growth.

About Amul (Gujarat Cooperative Milk Marketing Federation Ltd)

- Amul was established in **1946** as the **Kaira District Co-operative Milk Producers' Union Limited** in **Anand, Gujarat**, founded by **Tribhuvandas Patel** with support from **Morarji Desai** and **Sardar Vallabhbhai Patel**.
- In **1950**, the cooperative launched the **Amul brand**, and it has since grown to become India's largest **food product marketing organisation** with an annual turnover of **USD 7.3 billion** (2023-24).

About IFFCO

(Indian Farmers Fertiliser Cooperative)

- IFFCO was founded in **1967** and is headquartered in **New Delhi**. It manufactures and markets **fertilisers** to Indian farmers.
- As one of the world's largest cooperatives, **IFFCO** operates with **35,000 member cooperatives**, reaching over **50 million farmers** across India.

Birth Anniversary of Guru Nanak Dev Ji

Why in News?

President Droupadi Murmu extended her greetings on the occasion of **Guru Nanak Jayanti**, urging all citizens to embrace Guru Nanak Dev Ji's teachings of **truth, justice, compassion**, and human equality to build a better society.

Key Points

- About: Guru Nanak (1469-1539)** was born in **1469** in **Talwandi village**, near Lahore in Pakistan.
 - He was the **first of the 10 Sikh gurus**.
 - He worked as a **clerk** in Sultanpur in the **Lodi administration**.
- Spiritual Revelation:** Around the **age of 30**, Guru Nanak had a profound **spiritual experience** and a direct encounter with **God** near a river **Kali Bein**, leading him to declare, "**There is neither Hindu nor Muslim.**"

Philosophy: He was a proponent of the **Nirguna School** of the **Bhakti movement** and was influenced by **Kabir Das**. He emphasised spiritual practices like "**Nam Japna**" i.e., the repetition of God's name to experience God's presence.

Teachings and Travels: He travelled extensively across **India and the Middle East**, spreading his message with his Muslim companion, **Mardana**.

The **hymns** composed by him were incorporated in the **Adi Granth** by the **fifth Sikh Guru Arjan** in **1604**.

Community and Legacy: He settled in **Kartarpur** and established the **first Sikh community** where disciples lived and worshipped together.

He appointed **Guru Angad (Bhai Lehna)** as his **successor** to lead the community.

Sikh Gurus and Their Major Contributions

Guru	Period	Key Contributions
Guru Nanak Dev	1469-1539	Founder of Sikhism; started GURU KA LANGAR ; contemporary of Babur ; 550th birth anniversary commemorated with Kartarpur corridor .
Guru Angad	1504-1552	Invented Guru-Mukhi script ; popularised GURU KA LANGAR .
Guru Amar Das	1479-1574	Introduced Anand Karaj Marriage ; abolished Sati and Purdah ; contemporary of Akbar .
Guru Ram Das	1534-1581	Founded Amritsar in 1577 ; initiated construction of Golden Temple .
Guru Arjun Dev	1563-1606	Composed Adi Granth in 1604 ; completed Golden Temple ; executed by Jahangir .
Guru Hargobind	1594-1644	Transformed Sikhs into a military community ; established Akal Takht ; waged wars against Jahangir and Shah Jahan .

Guru Har Rai	1630-1661	Promoted peace with Aurangzeb ; focused on missionary work.
Guru Har Krishan	1656-1664	Youngest guru; summoned by Aurangzeb for anti-Islamic blasphemy.
Guru Teg Bahadur	1621-1675	Founded Anandpur Sahib , Beheaded on the orders of Mughal Emperor Aurangzeb in 1675 .
Guru Gobind Singh	1666-1708	Founded Khalsa in 1699 ; introduced Pahul (Baptism ceremony) ; last guru to pass Guruship to Guru Granth Sahib .

Maldives Enforces World's First Generational Smoking Ban

Why in News?

The **Maldives** has officially become the **first country in the world** to enforce a **generational ban on smoking**, prohibiting anyone **born on or after 1st January 2007** from ever purchasing, possessing, or using tobacco products.

Key Points

- 💡 **The generational Ban:**
 - ✦ Applies to **all tobacco forms**, including cigarettes, cigars, and smokeless tobacco.
 - ✦ **Retailers must verify age** before sale to prevent violations.
 - ✦ Aims to **phase out tobacco use within one generation**.
 - ✦ The Maldives already has a **complete ban on vaping and e-cigarettes**, regardless of age.
- 💡 **New Zealand** was the first to enact such law (born after 1st January, 2009), but they **repealed it** in 2023 before it took effect.
- 💡 **Health Perspective:**
 - ✦ Tobacco kills nearly **7 million people annually** (WHO).
 - ✦ The move aligns with the **WHO Framework Convention on Tobacco Control (FCTC)** to curb youth initiation and protect future generations.

WHO Framework Convention on Tobacco Control (FCTC)

- 💡 It is the **world's first global public health treaty**. Over **180 parties** (including **India**) have ratified the convention. It was adopted in 2003 and enforced in 2005.
- 💡 **Objective:** To protect present and future generations from the devastating health, social, environmental, and economic consequences of tobacco consumption and exposure to tobacco smoke.
- 💡 **Key Provisions:**
 - ✦ Ban on **tobacco advertising, promotion, and sponsorship**.
 - ✦ **Health warnings** covering at least 30–50% of packaging.
 - ✦ Measures to **reduce tobacco demand and supply**, including taxation and public smoking bans.
 - ✦ **Regulation of illicit trade and protection from industry interference** in policy-making.

First Indian Woman to Race a Ferrari Internationally

Why in News?

Diana Pundole has made history by becoming the **first Indian woman** to race a **Ferrari 296 Challenge** car on **international circuits**.

Key Points

- 💡 Diana Pundole is competing in the **Ferrari 296 Challenge**, a prestigious international one-make racing series featuring the brand's latest high-performance race car.
- 💡 Her participation across **Middle Eastern circuits** — including **Dubai Autodrome** and **Yas Marina, Abu Dhabi** — makes her the **first Indian woman** to **officially race a Ferrari at the global level**.
- 💡 **About the Ferrari 296 Challenge:**
 - ✦ The Ferrari 296 Challenge is the **latest model in Ferrari's Challenge racing series**, replacing the 488 Challenge Evo.

Indian Navy to Commission 'Ikshak'

Why in News?

The Indian Navy will commission **INS Ikshak**, the third vessel of the **Survey Vessel (Large) [SVL]** class, at **Naval Base Kochi**.

Key Points

About the Vessel:

- ✦ The name **Ikshak** means **"Guide,"** which perfectly matches the ship's job of **accurately mapping** and **navigating the seas**.
- ✦ It is the **first SVL-class vessel** to be based at the **Southern Naval Command (Kochi)**.
- ✦ Built by **Garden Reach Shipbuilders and Engineers (GRSE) Ltd., Kolkata**, the vessel features over **80% indigenous content**.

Role and Functions:

- ✦ Designed for **coastal and deep-water hydrographic surveys** of ports, harbours, and navigational channels.
- ✦ The vessel's survey data will aid **safe maritime navigation, port management, and marine resource assessment**.
- ✦ It enhances India's capability to produce accurate **nautical charts**, supporting both **civil and military maritime operations**.

Survey Vessel (Large) [SVL] Class

- 💡 The Survey Vessel (Large) [SVL] class project was launched to **modernise India's hydrographic survey fleet** and replace ageing **Sandhayak-class vessels**.
- 💡 A total of **four ships** are part of this class — **INS Sandhayak, INS Nirdeshak, INS Ikshak, and INS Sanshodhak** (under construction).
- 💡 These vessels are being built by **Garden Reach Shipbuilders and Engineers (GRSE), Kolkata** under the **Aatmanirbhar Bharat** initiative.

- 💡 They are designed to **conduct hydrographic, oceanographic, and cartographic surveys** to produce navigational charts and support both civil and defence maritime operations.

150 Years of National Song Vande Mataram

Why in News?

Prime Minister Narendra Modi inaugurated the year-long commemoration of 150 years of the National Song "Vande Mataram" on 7th November 2025.

Key Points

- 💡 **Historical Background:** Vande Mataram was written by **Bankimchandra Chatterji** on Akshaya Navami, **7th November 1875**.
 - ✦ It first appeared in the literary journal **Bangadarshan** as part of his iconic novel **Anandamath**.
- 💡 **Adoption:** Declared India's National Song; the **first two stanzas** were adopted by the **Constituent Assembly** on 24th January 1950.
- 💡 **Language:** Originally written in **Sanskritised Bengali**.
- 💡 **Music Composition:** Set to tune by **Rabindra Nath Tagore**, first sung at the 1896 **Indian National Congress session**.
 - ✦ The song invokes **Bharat Mata (Mother India)** as the embodiment of strength, prosperity, and divinity, inspiring generations during India's freedom struggle.

Special Campaign 5.0

Why in News?

The **Department of Health Research (DHR)** and the **Indian Council of Medical Research (ICMR)** have successfully concluded **Special Campaign 5.0**.

Key Points

Special Campaign 5.0:

- ✦ The **Special Campaign 5.0** is a nationwide initiative of the **Government of India** to ensure **cleanliness, efficient records management, and timely resolution of pending matters**, including **PMO and MP references and public grievances**.
- ✦ The DHR and ICMR, along with 27 institutes across India, actively participated in the campaign.
- ✦ **Major Achievements:**
 - 💡 **100% target achievement** in resolving **public grievances, PG appeals, and PMO references** during the campaign period.
 - 💡 Conducted **comprehensive cleanliness drives** in all affiliated offices and field institutes.

National Cancer Awareness Day 2025

Why in News?

India observes **National Cancer Awareness Day** on **7th November 2025**, focusing on prevention, early detection, and awareness of cancer.

Key Points

Date and Background:

- ✦ The day coincides with the **birth anniversary of Marie Curie (7th November 1867)**, whose groundbreaking research on **radioactivity** revolutionized cancer diagnosis and treatment.
- ✦ It was **first announced in 2014** by the **Union Ministry of Health and Family Welfare** to promote awareness about cancer prevention and screening.

Purpose and Significance:

- ✦ Aims to educate citizens on the **importance of lifestyle modification, regular health check-ups, and timely medical intervention**.
- ✦ Cancer cases in India are rising, with over **14 lakh new cases reported each year**, many detected at advanced stages.

💡 **Theme 2025:** Though India's campaign has a domestic focus, it aligns with the **global World Cancer Day theme (2025–27): "United by Unique"**, highlighting personalized care and inclusivity in cancer treatment.

Maria Skłodowska-Curie (1867–1934)

💡 **Nationality:** Polish-born, later became a French citizen

Major Discoveries:

- ✦ Discovered the radioactive elements **Radium (Ra) and Polonium (Po)**.
- ✦ Pioneered the concept and medical use of **radioactivity** in cancer treatment (radiotherapy)
- ✦ **Awards and Honours:**
 - ✦ First woman to win a Nobel Prize
 - ✦ Only person to receive two Nobel Prizes in two different sciences — **Physics (1903)** and **Chemistry (1911)**

💡 **Scientific Impact:** Her research laid the foundation for **nuclear medicine** and **radiation therapy** used in cancer diagnosis and treatment today.

Google's Project Suncatcher

Why in News?

Tech giant **Google** has announced **Project Suncatcher**, an ambitious research initiative to develop **AI-powered data centres in space**.

Key Points

About Project Suncatcher:

- ✦ Project Suncatcher envisions **solar-powered satellites** hosting **AI data centres** in space to reduce Earth's energy and water consumption used for cooling terrestrial facilities.

- ✦ These orbiting data centres will use **free-space optical links** to transfer data at speeds of **tens of terabits per second**, forming a **distributed network** similar to satellite internet constellations like *Starlink*.
- ✦ Google plans to launch **two prototype satellites by early 2027** to test its space-based TPU (Tensor Processing Unit) hardware.

💡 Rationale for Space-Based AI Centres:

- ✦ **AI data centres** consume enormous electricity and water for cooling — a growing environmental concern as AI adoption increases globally.
- ✦ In **space**, **solar panels are up to 8 times more efficient** than on Earth, providing a continuous and clean energy supply.

💡 How It Works:

- ✦ The satellites will rely on **solar energy** and **optical data transmission** to function as a cohesive high-performance computing network.
- ✦ **TPUs (Trillium v6e)** are being tested for radiation resistance and performance in extreme conditions.

💡 Influencing Factors:

- ✦ **Methodological adjustments** improved projections by 0.1°C.
- ✦ **US withdrawal from the Paris Agreement** expected to offset the same 0.1°C gain.

💡 Reduction Targets by 2035:

- ✦ To limit global warming to **2°C**, global greenhouse gas emissions must decline by **35% below 2019 levels by 2035**.
- ✦ To achieve the more ambitious **1.5°C target**, emissions need to fall by **55% below 2019 levels** within the same period.
- ✦ However, **UNEP warns that a temporary overshoot of the 1.5°C threshold is very likely within the next decade**, underscoring the urgency for deeper and faster emission cuts.

💡 Positive Indicators:

- ✦ Projected temperature rise has dropped from **3–3.5°C (2015)** to around **2.5°C (2025)**, reflecting progress since the **Paris Agreement**.
- ✦ **Solar and wind** technologies are rapidly scaling, cutting deployment costs globally.

Emissions Gap Report 2025

Why in News?

The **United Nations Environment Programme (UNEP)** released its **Emissions Gap Report 2025**, titled “*Off Target*”, warning that current **climate pledges under the Paris Agreement** are insufficient to meet the 1.5°C target.

Key Points

💡 Projected Warming Levels:

- ✦ Under the current policies, the world is projected to warm by approximately **2.8°C by 2100**.
- ✦ If all **Nationally Determined Contributions (NDCs)** are fully implemented, the projected warming could be reduced to around **2.3–2.5°C** by the end of the century.
- ✦ Only a **marginal improvement** from last year’s (2024) estimate of **2.6–2.8°C**, showing limited new ambition.

United Nations Environment Programme (UNEP)

- 💡 Established in **1972**, following the **UN Conference on the Human Environment (Stockholm)**.
- 💡 **Headquarters:** Nairobi, Kenya
- 💡 Acts as the **leading global environmental authority**, coordinating international environmental efforts and assisting nations in implementing sustainable policies.
- 💡 **Flagship Reports:**
 - ✦ Emissions Gap Report
 - ✦ Adaptation Gap Report
 - ✦ Global Environment Outlook (GEO)

Special Campaign 5.0

Why in News?

The **Department of Health Research (DHR)** and the **Indian Council of Medical Research (ICMR)** have successfully concluded **Special Campaign 5.0**.

Key Points

Special Campaign 5.0:

- ✦ The **Special Campaign 5.0** is a nationwide initiative of the **Government of India** to ensure **cleanliness, efficient records management, and timely resolution of pending matters**, including **PMO and MP references and public grievances**.
- ✦ The DHR and ICMR, along with 27 institutes across India, actively participated in the campaign.
- ✦ **Major Achievements:**
 - ✍ 100% target achievement in resolving public grievances, PG appeals, and PMO references during the campaign period.
 - ✍ Conducted **comprehensive cleanliness drives** in all affiliated offices and field institutes.

National Cancer Awareness Day 2025

Why in News?

India observes **National Cancer Awareness Day** on **7th November 2025**, focusing on prevention, early detection, and awareness of cancer.

Key Points

Date and Background:

- ✦ The day coincides with the **birth anniversary of Marie Curie (7th November 1867)**, whose groundbreaking research on **radioactivity** revolutionized cancer diagnosis and treatment.
- ✦ It was **first announced in 2014** by the **Union Ministry of Health and Family Welfare** to promote awareness about cancer prevention and screening.

Purpose and Significance:

- ✦ Aims to educate citizens on the **importance of lifestyle modification, regular health check-ups, and timely medical intervention**.
- ✦ Cancer cases in India are rising, with over **14 lakh new cases reported each year**, many detected at advanced stages.

- 💡 **Theme 2025:** Though India's campaign has a domestic focus, it aligns with the **global World Cancer Day theme (2025–27): "United by Unique"**, highlighting personalized care and inclusivity in cancer treatment.

State of Food and Agriculture (SOFA) 2025 Report

Why in News?

The **Food and Agriculture Organization (FAO)** has released the State of Food and Agriculture (SOFA) 2025 report titled “**Addressing Land Degradation Across Landholding Scales**”.

Key Points

Key Findings:

- ✦ **Global Cropland Decline:** Around **20% of global croplands** show declining productivity due to soil erosion, nutrient depletion, and loss of organic carbon.
- ✦ **Regional Impact:** Asia and Africa are the **most affected**, with severe yield gaps (up to 70% below potential levels) in South Asia and sub-Saharan Africa.
- ✦ **India's Status:** India recorded **one of the highest yield gaps globally**, attributed to land misuse and declining soil fertility.
- ✦ **Key Drivers:** Deforestation (90% of forest loss), monocropping, excessive fertilizer use, unsustainable irrigation, and poor soil management.

Land Degradation:

- ✦ **Land degradation** is defined as the **long-term decline in land's ability to provide essential ecosystem services**, caused by natural processes and human actions like **deforestation**, overgrazing, and unsustainable irrigation.

Land Degradation Neutrality (LDN):

- ✦ It refers to a global goal aimed at ensuring that the **amount and quality of land resources remain stable or improve over time**.

- ✦ The concept was adopted under the **United Nations Convention to Combat Desertification (UNCCD)** in **2015** as part of the **Sustainable Development Goal (SDG) 15.3**.
- ✦ **Land Degradation Neutrality (LDN) Hierarchy:** Avoid > Reduce > Reverse land degradation- a core FAO principle to restore ecological balance.

Food and Agriculture Organization (FAO)

- 💡 The **Food and Agriculture Organization (FAO)** was established in **1945**.
- 💡 It is **headquartered in Rome, Italy**.
- 💡 It functions as a **specialized agency of the United Nations**.
- 💡 It has **194 member countries**, including the **European Union**.
- 💡 It aims to **end hunger, improve nutrition, ensure food security, and promote sustainable agriculture**.
- 💡 **Flagship Reports:**
 - ✦ State of Food and Agriculture (SOFA)
 - ✦ State of Food Security and Nutrition in the World (SOFI)
 - ✦ State of World Fisheries and Aquaculture (SOFIA)
 - ✦ State of the World's Forests (SOFO)
- 💡 **India and FAO:** India is a founding member; FAO supports India's National Food Security Mission, Soil Health Card Scheme, and Sustainable Land Management initiatives.

Exercise Malabar 2025

Why in News?

The Indian Naval Ship (INS) Sahyadri has reached **Guam, Northern Pacific**, to participate in the **multilateral naval exercise Malabar 2025**.

Key Points

Exercise Malabar:

- ✦ It is a **multilateral naval drill** involving **India, the United States, Japan, and Australia** under the **QUAD** framework.

Prepare with DrishtiIAS

- ✦ Aims to enhance joint maritime coordination, interoperability, and operational readiness in the **Indo-Pacific**.
- ✦ Participation of **INS Sahyadri** reflects India's **Aatmanirbhar Bharat** push and **naval self-reliance**.
- ✦ **2025 Venue-Guam**: The choice of Guam underlines India's growing engagement in the Pacific and alignment with Quad's strategic goals.
 - 📌 **Guam** is an **unincorporated U.S. territory** in the Western Pacific Ocean, located between the **Philippines** and **Hawaii**.
 - 📌 It hosts key American military bases such as **Andersen Air Force Base** and **Naval Base Guam**, making it a **strategic hub** for Indo-Pacific security operations.

💡 **INS Sahyadri:**

- ✦ It is a **Shivalik-class (Project 17)** guided missile stealth frigate, commissioned in **2012** as part of **India's first stealth frigate series**.
- ✦ Built by **Mazagon Dock Shipbuilders Limited (MDL)**, Mumbai, it was designed for **multi-role operations** including **anti-air, anti-surface, and anti-submarine warfare**.

National Legal Services Day 2025

Why in News?

9th **November** is observed as **National Legal Services Day**, marking the enforcement of the **Legal Services Authorities Act, 1987**, which came into effect in **1995** to ensure free and fair access to justice for all citizens, especially the underprivileged.

Key Points

National Legal Services Day:

- ✦ It is celebrated **annually** on 9 November, established by the National Legal Services Authority (NALSA) under the **Legal Services Authorities Act, 1987**.
- ✦ It is celebrated to **promote awareness of citizens' legal rights**, ensure access to justice for all, and uphold the principle of justice for the weaker sections of society.

Legal Services Framework:

- ✦ Established under the **Legal Services Authorities Act, 1987**, the structure includes:
 - ✦ **NALSA** (National Legal Services Authority) – headed by the **Chief Justice of India**.
 - ✦ **SLSAs** (State Legal Services Authorities) – headed by **Chief Justices of High Courts**.
 - ✦ **DLSAs** (District Legal Services Authorities) – headed by **District Judges**.
- ✦ Provides free legal representation, counselling, and aid to the **economically and socially weaker sections**.
- ✦ Funding is shared through the **National, State, and District Legal Aid Funds**.
- ✦ To strengthen dispute resolution and access mechanisms, several complementary institutions and schemes such as **Lok Adalats**, **Legal Aid Defence Counsel System (LADCS)**, **Fast Track and Special Courts**, and **Grassroots Justice Initiatives** like **Gram Nyayalayas** and **Nari Adalats** operate under this framework.

National Urban Conclave 2025

Why in News?

Union Minister for Housing and Urban Affairs Manohar Lal inaugurated the **National Urban Conclave 2025 at Yashobhoomi, New Delhi** to accelerate India's urban transformation.

- ✦ The two-day conclave, themed **"Sustainable Urban Development and Governance"**, aims to **deliberate on urban innovation, investment, and governance**.

Key Initiatives Launched

Mission-Mode Dumpsite Remediation (DRAP):

- ✦ DRAP is a **year-long national initiative** to **fast-track the clearance of legacy waste dumpsites** and reclaim valuable urban land by September 2026.
- ✦ It **focus on 214 high-impact landfill sites across 202 Urban Local Bodies (ULBs)** containing **8.8 crore tonnes (80%) of India's legacy waste**.
- ✦ Its Implementation follows the **5P framework**- Political leadership, Public finance, Public advocacy, Project management, and Partnerships.
- ✦ DRAP also includes **real-time monitoring** through a **dedicated national portal** for progress tracking and transparency.

Urban Invest Window (UiWIN):

- ✦ UiWIN, anchored by **HUDCO**, is a **one-stop investment facilitation platform** for urban infrastructure.
- ✦ It aims to **attract private and multilateral funding** (e.g., World Bank, ADB) for long-term, concessional financing of projects in waste management, mobility, water, sewerage, and climate-resilient infrastructure.

- ✦ **Swachh Bharat Mission – Knowledge Management Unit (KMU)**: A dedicated knowledge and capacity-building platform hosted by NIUA to strengthen institutional learning under SBM-Urban.

- ✦ **AMRUT Anthem "Jal Hi Janani"**: Promotes water conservation awareness under Atal Mission for Rejuvenation and Urban Transformation (AMRUT).

India Joins Tropical Forests Fund as Observer

Why in News?

India has joined the **Brazil-led Tropical Forests Forever Facility (TFFF)** as an **observer**, reaffirming its commitment to multilateral climate action under the **Paris Agreement**, which marks its **10th anniversary** this year.

Key Points

- 💡 **About Tropical Forests Forever Facility (TFFF):**
 - ✦ It was **launched by Brazil in November 2025** at **COP30** in Belém, Brazil to **reward countries** for conserving and restoring **tropical forests** through **financial incentives**.
 - ✦ It seeks to **mobilise USD 125 billion** via **public and private investment**, distributing returns to nations based on measurable success in forest protection and expansion.
 - ✦ The initiative aims to build a **results-based global finance model** for **forest conservation and climate resilience**, strengthening the role of tropical nations in the global climate agenda.
- 💡 **COP30 Climate Change Conference:**
 - ✦ COP30, the 30th session of the **UNFCCC** Conference of the Parties, is being held in **Belém, Brazil, from 10th to 21st November, 2025**.
 - ✦ It marks the **10th anniversary** of the Paris Agreement (2015–2025) and focuses on implementing commitments made under it.
 - ✦ The agenda is to **review progress** on Paris goals, push for updated and ambitious NDCs (Nationally Determined Contributions), and ensure greater financing and technology transfer for climate adaptation and mitigation.
- ✦ **Six Pillars of Action:**
 - 📎 **Mitigation:** Reducing greenhouse gas emissions.
 - 📎 **Adaptation:** Building resilience to climate impacts.
 - 📎 **Finance:** Mobilising public and private climate funds.
 - 📎 **Technology:** Innovation and clean tech transfer.
 - 📎 **Capacity-Building:** Empowering local actors and systems.
 - 📎 **Means of Implementation:** Integrating all efforts into practical, on-ground change.

India's Climate Progress

- 💡 India achieved a **36% reduction in emission intensity** between **2005 and 2020**, surpassing its initial **NDC goals**.
- 💡 It has installed over **200 GW of renewable energy capacity**, ranking **third globally**, with **non-fossil fuel sources exceeding 50%** of total power capacity.
- 💡 India's **forest and tree cover** now spans **25.17%** of its area, creating an **additional carbon sink of 2.29 billion tonnes of CO₂ equivalent** between **2005 and 2021**.
- 💡 Globally, India leads key green initiatives such as the **International Solar Alliance (ISA)** with France (2015), and domestic efforts like the **National Hydrogen Mission** and **Biofuel Programme**, advancing its clean energy transition.

18th Urban Mobility India (UMI)

Why in News?

The 18th Urban Mobility India (UMI) Conference & Exhibition 2025 concluded in **Gurugram, Haryana**, highlighting innovations in sustainable urban transport.

Key Points

- 💡 **Urban Mobility India (UMI) Conference:**
 - ✦ It has been organised annually since **2008** under the National Urban Transport Policy (NUTP), **Ministry of Housing and Urban Affairs**.
 - ✦ It aims to **promote sustainable urban mobility** through knowledge sharing, capacity building, and policy dialogue.
- 💡 **About the 18th Edition:**
 - ✦ It was organised in **Gurugram, Haryana** with the theme of **"Urban Development and Mobility Nexus"** focusing on cleaner transport, innovative financing, and inclusivity in public transit.

Artificial Lake at Sirhaul

Why in News?

The Haryana government approved a **12-acre artificial lake at Sirhaul**, near Gurugram, to store monsoon runoff and **recharge groundwater**.

Key Points

- 💡 The artificial lake will be developed on land owned by the **Haryana Tourism Department** at Sirhaul border, aimed at flood-mitigation and water-conservation.
- ★ Sirhaul is a **border village** located **along NH-48** at the junction between Gurugram and Delhi.
- 💡 The lake will not only address **urban flooding** but also enhance the city's eco-infrastructure, reflecting a broader push for sustainable urban development in Gurugram.

National Education Day 2025

Why in News?

India celebrates **National Education Day** on **11th November**, to mark the **137th birth anniversary** of **Maulana Abul Kalam Azad**, the first Education Minister of independent India and a key architect of the nation's modern education system.

Key Points

- 💡 **National Education Day:**
 - ★ It is observed every year on **11th November** to commemorate the birth anniversary of **Maulana Abul Kalam Azad (1888–1958)**
 - ★ The observance was first announced in **2008** by the then **Ministry of Human Resource Development** (now the **Ministry of Education**).
- 💡 **Maulana Abul Kalam Azad:**
 - ★ He was born on **11th November 1888**, in **Mecca** and later settled in **Calcutta (Kolkata)**, where he emerged as a leading scholar and nationalist.
 - ★ He served as **India's first Minister of Education (1947–1958)** and introduced major reforms to strengthen scientific, technical, and cultural education.

- ✦ He was instrumental in establishing the University Grants Commission (UGC), Indian Institutes of Technology (IITs), and Indian Institute of Science (IISc), as well as cultural bodies like the Sahitya Akademi, Lalit Kala Akademi, and Sangeet Natak Akademi.
- ✦ In recognition of his immense contributions, he was **posthumously awarded the Bharat Ratna** in 1992.

India's First MWh-Scale Vanadium Redox Flow Battery (VRFB)

Why in News?

Union Minister for Power and Housing & Urban Affairs inaugurated **India's first megawatt-hour (MWh) scale Vanadium Redox Flow Battery (VRFB)** in Greater Noida.

Key Points

About:

- ✦ The **3 MWh Vanadium Redox Flow Battery (VRFB)** is developed by National Thermal Power Corporation (NTPC)'s **NETRA (National Energy Technology Research Alliance)**

- ✦ It aims to demonstrate **Long Duration Energy Storage (LDES)** technology for large-scale renewable energy integration and grid stability.

Vanadium Redox Flow Battery (VRFB):

- ✦ It uses **vanadium ions in different oxidation states** to store and discharge electricity efficiently.
- ✦ The system offers **long operational life**, and **excellent scalability** compared to lithium-ion batteries.
- ✦ **Non-flammable electrolytes** make it safer for large-scale energy storage applications.
- ✦ It is well-suited for **grid-scale renewable energy storage**, **microgrids**, and **peak-load management**.
- ✦ VRFBs are increasingly viewed as a **sustainable alternative** for integrating intermittent renewable sources like solar and wind into the grid.

Booker Prize 2025

Why in News?

Author **David Szalay** has won the **2025 Booker Prize** for his fictional novel **Flesh**.

Key Points

About the Winner:

- ✦ **David Szalay** is a **Hungarian-British novelist** known for his **precise, economical prose** and deep exploration of masculinity, identity, and contemporary European life.
- ✦ With **Flesh**, he reinforces his reputation as a writer who **captures the inner lives of ordinary men with unusual clarity**, situating their personal struggles against broader social and economic landscapes.

About Booker Prize:

- ✦ The **Booker Prize** (formerly the Man Booker Prize) is one of the world's most prestigious literary awards. It was **established in 1969** and is run by the **Booker Prize Foundation**.

Prepare with DrishtiIAS

- ✦ It honours the **best original full-length novel written in English** and published in the **UK or Ireland**. Writers of any nationality have been eligible to compete **since 2014**.
- ✦ The award aims to promote **excellence in English-language fiction** and encourage wider readership.
- ✦ Indian winners include **Arundhati Roy (1997)**, **Kiran Desai (2006)**, and **Aravind Adiga (2008)**.

Difference Between Booker Prize & International Booker Prize

- 💡 The **Booker Prize** was first awarded in **1969** and is for the best **single work of fiction originally written in English**.
- 💡 The **International Booker Prize** was established later in **2005** and is for the best single work of **fiction translated into English** from any other language.
- ✦ It recognizes the achievement of both the author and the translator.

Shafali Verma Honoured by Haryana Government

Why in News?

Haryana Chief Minister recently felicitated **Shafali Verma** after her standout performance in the **ICC Women's Cricket World Cup 2025**.

Key Points

- 💡 **About the Felicitation:**
 - ✦ Shafali Verma was presented with a cheque of **₹1.50 crore** and a **'Grade A' sports gradation certificate** by the Chief Minister.
 - ✦ Shafali Verma was appointed **brand ambassador** of the **Haryana State Women's Commission** in recognition of her contribution to women's sport in the state.
- 💡 **About Haryana State Women's Commission:**
 - ✦ It is a **statutory, quasi-judicial body** constituted by the State Government.
 - ✦ Initially constituted in **1999**, but achieved **statutory status** with the enactment of the

Haryana State Commission for Women Act, 2012.

Functions:

- 📎 It functions as an **advisory body** to the state government on policies, laws, and programmes related to women's welfare, protection, and empowerment.
- 📎 The Commission investigates complaints of domestic violence, harassment, dowry issues, trafficking, and denial of women's constitutional and legal rights.
- 📎 It has **powers of a Civil Court** to summon individuals, call for documents, and conduct inquiries.
- 📎 It monitors the implementation of women-centric schemes such as **Beti Bachao Beti Padhao**, **women's safety initiatives**, and **workplace harassment mechanisms**.
- 📎 The Commission also undertakes **suo-motu action** in cases of severe rights violations.

Ammonium Nitrate

Why in News?

A blast near **Delhi's Red Fort** has put **"Ammonium Nitrate"** in the spotlight, as investigators suspect the chemical may have been used in the explosion.

Key Points

- 💡 **About:**
 - ✦ Pure ammonium nitrate (NH_4NO_3) is a **white, crystalline, water-soluble, nitrogen-rich compound** made by reacting ammonia with nitric acid, and it melts at **about 170°C**.
 - ✦ The substance is classified as an oxidising agent. It is one of the **base ingredients** used in the manufacture of commercial explosives.
 - ✦ It is classified as a **dual-use substance**, meaning it has legitimate industrial uses but can also be weaponised.
- 💡 **Uses:**
 - ✦ In **agriculture**, it is widely used as a **nitrogen fertilizer** due to its high nutrient content.

Prepare with DrishtiIAS

UPSC
Classroom
Courses

IAS Current
Affairs Module
Course

Drishti
Learning
App

- ✦ It is used for controlled blasting in **quarries and excavation projects**, and also forms a key component of various emulsions and gels used in **mining-grade explosives**.

💡 Weaponization of Ammonium Nitrate:

- ✦ Pure ammonium nitrate is **not explosive by itself** and is classified as an **oxidiser** under **United Nations** classification of dangerous goods.
- ✦ It becomes **volatile** when combined with **fuel oil, potassium chlorate, sulphur or other accelerants**. This mixture creates **ANFO (Ammonium Nitrate Fuel Oil)**, a commonly used explosive.
 - 📌 However, ANFO cannot detonate on its own; it requires a **trigger such as a detonator**, often initiated with primary explosives like **RDX or TNT**.

Garuda Exercise 2025

Why in News?

The **Indian Air Force (IAF)** is taking part in the **8th edition** of Exercise Garuda-25, a bilateral air combat drill conducted with the **French Air and Space Force (FASF)**.

Key Points

💡 About Garuda Exercise:

- ✦ “Garuda” is a bilateral **air exercise** between the Indian and **French air forces**, conducted periodically since 2003.
- ✦ It is among the **highest-level air force exercises** India conducts with a foreign air force and is held alternately in India and France.
- ✦ Its key objectives include **enhancing mutual operational capabilities**, sharing tactics, building log-operational familiarity and forging strategic ties.

💡 About 2025 Edition:

- ✦ The 8th edition of Garuda (Garuda-25) is being held from **16th to 27th November, 2025** at **Mont-de-Marsan Air Base** in France.
- ✦ The **Indian Air Force (IAF)** contingent, featuring **Su-30MKI fighter aircraft** supported by **IL-78 refuellers** and **C-17 Globemaster III air-lift assets**, will operate alongside **French multirole**

fighters in complex simulated missions involving **air-to-air combat, air defence, and joint strike operations**.

Exercise Ajeya Warrior-25

Why in News?

India and the **United Kingdom** have begun the **8th edition** of Exercise Ajeya Warrior-25, a bilateral military training exercise between the **Indian Army** and the **British Army**.

Key Points

💡 About Ajeya Warrior Exercise:

- ✦ **Ajeya Warrior** is a bilateral military exercise between the **Indian Army** and the **British Army**, held biennially since 2011.
- ✦ It focuses on enhancing **interoperability**, improving **tactical coordination**, and sharing **best practices** in counter-terrorism and peacekeeping operations.
- ✦ It is conducted under a **United Nations mandate**, specifically aligned with **Chapter VII of the UN Charter**, which deals with **peacekeeping** duties related to threats to peace, breaches of peace, and **counter-terrorism** scenarios.

About the 2025 Edition:

- ✦ The 8th edition is being held from 17th to 30th November, 2025, at the Foreign Training Node, Mahajan Field Firing Ranges, Rajasthan.
- ✦ A total of 240 personnel are participating, with **equal representation** from both armies. The Indian Army is represented by the Sikh Regiment.
- ✦ Training includes **simulation-based scenarios**, Brigade-level mission planning, and field exercises resembling real-life counter-terror contingencies.

Tesla's First Centre in India

Why in News?

Tesla, the US-based electric vehicle (EV) company is opening its **first full-scale India centre** on 26th November 2025 at the **Orchid Business Park in Gurugram**, marking a major launch in its Indian retail strategy.

Key Points

About Gurugram Centre:

- ✦ The new centre in Gurugram is intended to act as a **showroom, delivery hub and service centre** for the Indian market, signalling a stronger physical presence. This follows Tesla's earlier openings of experience centres in **Mumbai** and **New Delhi**.
- ✦ India became Tesla's **50th global market** when it launched two imported variants of the **Model Y** in the country.
- ✦ Tesla sold **104 units** in retail during September–October, according to registration data from the government-backed Vahan portal.

About Vahan Portal:

- ✦ It is a **government-run national database** that maintains comprehensive vehicle registration records across India.
- ✦ It is operated by the Ministry of Road Transport and Highways (MoRTH) and provides **real-time information** on vehicle sales, new registrations, and compliance details.

- ✦ Owing to its accuracy and nationwide coverage, the portal serves as a **credible data source** for assessing EV adoption trends and other transport-sector developments.

BIRSA 101

Why in News?

The **Minister of Science & Technology** has launched “**BIRSA 101**”, India's first **indigenous CRISPR-based gene therapy** for **Sickle Cell Disease**.

- ✦ Named after Birsa Munda on his **150th birth anniversary** (15th November 2025), the therapy strengthens India's push for a “**Sickle-Cell-Free Nation**,” with significant benefits for affected **tribal communities** in central and eastern India.

Key Points

About BIRSA 101:

- ✦ The gene therapy was developed by the Council of Scientific & Industrial Research - Institute of Genomics and Integrative Biology (CSIR-IGIB) and transferred to the Serum Institute of India through a structured **technology-transfer** agreement, ensuring rapid pathway from lab to market.
- ✦ The public-private model is designed to deliver **high-quality, affordable** genomic therapies to underserved communities.

About CRISPR Gene Editing:

- ✦ CRISPR (Clustered Regularly Interspaced Short Palindromic Repeats) is a naturally occurring defence mechanism found in bacteria, used to cut viral DNA.
- ✦ Modern gene-editing uses **CRISPR–Cas9**, where Cas9 functions like molecular scissors to cut DNA at specific target sites.
- ✦ It enables **precise, efficient, and low-cost genome editing**, making it a major breakthrough in biotechnology and medical research.
- ✦ First demonstrated as a gene-editing tool in **2012**, pioneered by **Jennifer Doudna** and **Emmanuelle Charpentier**, who received the 2020 Nobel Prize in Chemistry.

⚡ About Sickle Cell Disease (SCD):

- ✦ **Sickle Cell Disease** is an **autosomal recessive genetic blood disorder** caused by an **HBB gene mutation**, producing abnormal **Hemoglobin-S** that makes red blood cells sickle-shaped and rigid. This leads to **anemia, pain crises, infections, and organ complications**.
- ✦ It is **highly prevalent in tribal communities** of central and eastern India and is a focus area under the **National Sickle Cell Anaemia Elimination Mission (2023–2047)**.
- ✦ Conventional treatment includes **hydroxyurea, blood transfusions, and stem-cell transplant**.

World Fisheries Day 2025

Why in News?

India marked **World Fisheries Day 2025** on **21st November**, celebrating sustainability, blue-economy growth, and improved livelihoods for fishers.

Key Points

- ⚡ **About:** **World Fisheries Day**, observed annually on **21st November**, traces its origin to the formation of the **World Fisheries Forum** in **1997**, when delegates from **18 countries** met in **New Delhi** to promote sustainable fishing and safeguard fisher communities, making India the birthplace of this global observance.
- ⚡ **Theme:** The theme for 2025 is **“India’s Blue Transformation: Strengthening Value Addition in Seafood Exports.”**
- ⚡ **Ranking:** India is the **second-largest fish-producing country** and among the **world’s top shrimp producers**.
 - ✦ Total fish production more than **doubled from 96 lakh tonnes (2013–14) to 195 lakh tonnes (2024–25)**.
 - ✦ **Marine product exports** rose by **11.08%**, from **US\$ 0.81 billion (October 2024) to US\$ 0.90 billion (October 2025)**.
- ⚡ **Major Initiatives:**
 - ✦ The government launched the **National Framework on Traceability in Fisheries &**

Aquaculture to ensure **safe, transparent, and globally compliant seafood supply chains**.

- ✦ The **Sustainable Harnessing of Fisheries in the EEZ Rules** promote **environmentally responsible deep-sea fishing**, giving **priority access to Fishermen Cooperatives and FFPOs**, enhancing **income opportunities** for small-scale fishers.
- ✦ **ReALCRaft** is a **digital platform** enabling **online registration, licensing, e-payments, and vessel data updates**, with integrated **inspections for paperless fisheries governance**.
- ✦ **NABHMITRA**, a **two-way satellite communication system** for small vessels (<20 m), provides **real-time tracking, SOS alerts, and weather updates**, improving **fisher safety and coordination with coastal authorities**.

Chandigarh & Article 240

Why in News?

The **Ministry of Home Affairs (MHA)** has clarified that the government **will not introduce the Constitution (131st Amendment) Bill, 2025** in the upcoming Winter Session. The bill reportedly proposed to bring **Chandigarh under Article 240** of the Constitution.

Key Points

- ⚡ **About Constitution (131st Amendment) Bill:**
 - ✦ The proposal aimed to include **Chandigarh** under **Article 240**, which currently applies to select Union Territories such as Andaman & Nicobar Islands, Lakshadweep, Dadra & Nagar Haveli and Daman & Diu, and Puducherry.
 - ✦ Chandigarh is presently administered as a **Union Territory (UT)**, with the **Governor of Punjab** serving as its **Administrator**, since it acts as the joint capital of Punjab and Haryana.
- ⚡ **Article 240 & Potential Impact on Chandigarh:**
 - ✦ **Article 240** empowers the **President** to make regulations for the peace, progress, and good governance of certain UTs that do not have their own legislatures.

- ✦ These regulations have the **same effect** as an **Act of Parliament**, giving the Centre direct administrative influence.
- ✦ As Chandigarh currently **lacks a legislative assembly**, bringing it under Article 240 would mainly be a change in the **method of governance**, allowing the President to rule by **regulation** instead of Parliament legislating by **Act**.
- ✦ **This change would enable the Centre to:**
 - ✍ Issue **regulations** for governance through the **President** or a **delegated authority**.
 - ✍ Possibly introduce a separate **Lieutenant Governor** (instead of the Punjab Governor), changing the administrative head.
- ✦ Chandigarh's governance structure stems from the **Punjab Reorganisation Act, 1966**, making it a shared capital with a unique administrative model.
- ✦ Any alteration in its governance has implications for **federal relations**, **state rights**, and **UT administration frameworks**.

Guru Tegh Bahadur Martyrdom Day

Why in News?

The President of India paid tribute to **Guru Tegh Bahadur Ji** on the occasion of his **350th Martyrdom Day** on **24th November 2025**.

- 💡 He was executed by Aurangzeb on **24th November 1675**, for defending **Kashmiri Pandits** against forced religious conversion, and the **Gurdwara Sis Ganj Sahib in Delhi's Chandni Chowk** marks the site of his execution.

Key Points

- 💡 **Early Life:** Born in the year **1621** in **Amritsar**, Guru Tegh Bahadur was initially known as **Tyagmal** due to his **ascetic nature**. Trained in religious philosophy and martial skills, he was awarded the title "**Tegh Bahadur**" for his **bravery** in battle.

- 💡 **Contribution:** He became the **9th Sikh Guru** in **1664** after **Guru Harkishan**. In **1665**, he founded **Anandpur Sahib** and contributed more than **700** hymns to the **Guru Granth Sahib**, focusing on **equality, justice, and devotion**.
- 💡 **Legacy:** He **opposed forced religious conversions** during **Aurangzeb's** reign and encouraged **fearlessness (Nirbhau)** and **compassion (Nirvair)** among his followers.
 - ✦ He is revered for defending freedom of religion and conscience earning him the title "**Hind-di Chadar**" (Shield of India).

Ten Gurus of Sikhism

Guru Nanak Dev (1469–1539)	💡 First Sikh Guru and founder of Sikhism
	💡 Initiated 'Guru ka Langar'
	💡 Contemporary of Babur
	💡 Kartarpur Corridor was inaugurated on his 550 th birth anniversary
Guru Angad (1504–1552)	💡 Invented the Gurmukhi script
	💡 Popularized the practice of 'Guru ka Langar'

Hayli Gubbi Volcano

Why in News?

The Hayli Gubbi **volcano** in **Ethiopia** has erupted explosively, sending high-altitude ash plumes thousands of metres up, some of which have drifted into **Indian airspace**, triggering **aviation advisories**.

Key Points

- Hayli Gubbi volcano is located in **Afar, northeastern Ethiopia**, within the **Danakil Depression** - one of the **hottest and lowest places** on Earth.
- The current eruption is significant because the volcano is believed to have **erupted after nearly 12,000 years**, based on geological evidence from the Afar Rift.
- The Hayli Gubbi eruption highlights the **geological volatility** of the **East African Rift System (EARS)** where active volcanism, fissure eruptions, and **spreading ridges** are common.
 - It is one of the world's most tectonically active rift systems where the **Arabian, Nubian, and Somali plates** are diverging.
- The region is characterised by **basaltic lava**, fissure systems, and frequent **seismic activity** linked to the continental rifting process.

Volcanic Ash & Aviation Risks

- 💡 **Volcanic ash** is made of tiny, abrasive particles of rock and glass that can melt inside jet engines and cause serious damage.
- 💡 Jet engines can **stall** when ash **melts and re-solidifies** on turbine blades.

Digital Geofencing in Sultanpur National Park

Why in News?

Authorities in Haryana are planning to introduce **digital geofencing** around the **Sultanpur National Park buffer zone** to monitor land-use changes in real time and curb violations.

Key Points

💡 About Digital Geofencing:

- ✦ The Haryana Forest Department and district administration will create a **digital geospatial boundary** around the **buffer zone of Sultanpur National Park**, enabling automatic alerts whenever land-use changes occur in the mapped area.
- ✦ The initiative aims to prevent activities such as **unauthorized construction, land fragmentation, soil excavation, and commercial land conversion**, which have increasingly threatened the ecological sensitivity of the region.
 - 📎 **Satellite imagery, drone surveys, and GIS-based digital mapping** will be integrated, allowing **real-time tracking** of any physical alterations around the sanctuary.

💡 About Sultanpur National Park:

- ✦ **Sultanpur National Park**, located in **Gurugram district, Haryana**, is one of India's prominent **bird sanctuaries** and an important wintering site for **migratory birds** from Central Asia, Europe, and Siberia.
 - 📎 Sultanpur lies along the **Central Asian Flyway (CAF)**, which makes stringent monitoring of land-use change essential to protect migratory species' pathways

- ✦ It was declared a **Ramsar Site** in **2021**, highlighting its ecological significance.

Exercise SURYAKIRAN (2025)

Why in News?

The **19th edition** of India–Nepal Joint Military Exercise **SURYAKIRAN-XIX** began on **25th November 2025** at **Pithoragarh, Uttarakhand**.

Key Points

💡 About Exercise SURYAKIRAN:

- ✦ Exercise **SURYAKIRAN** is a **bilateral military exercise** between the Indian Army and the Nepal Army, held **annually**, with hosting duties alternating between the two countries.
- ✦ It aims to **enhance interoperability**, strengthen **military diplomacy**, and deepen **India–Nepal defence cooperation**.
- ✦ The exercise primarily focuses on **counter-insurgency, counter-terrorism, and jungle/mountain warfare** terrain common to both armies.
- ✦ It is conducted under **Chapter VII of the UN Charter**, which deals with **peacekeeping** duties related to threats to **peace, breaches of peace, and counter-terrorism** scenarios.

💡 About the 2025 Edition:

- ✦ The 2025 edition of the exercise is being hosted at **Pithoragarh, Uttarakhand**, from **25th November to 08th December, 2025**.
- ✦ The **Indian contingent** comprises **334 personnel**, mainly from the **Assam Regiment** while the **Nepalese contingent** also includes **334 personnel**, primarily from the **Devi Datta Regiment**.
- ✦ The 2025 edition highlights incorporation of **niche and emerging military technologies**, such as:
 - 📎 **Unmanned Aerial Systems (UAS)**
 - 📎 **Drone-based ISR** (Intelligence, Surveillance & Reconnaissance)
 - 📎 **AI-enabled** decision-support tools
 - 📎 **Unmanned logistics vehicles**
 - 📎 **Armoured protection platforms**

Watchtowers in Aravallis

Why in News?

Two new **watchtowers** are set to be constructed in the **Aravalli region** of Gurugram to strengthen surveillance, prevent illegal activities, and improve forest protection efforts.

Key Points

About the Watchtowers:

- ✦ The Forest Department has approved construction of **two elevated watchtowers** planned in the **Mangar Bani and Dhauj belts**.
- ✦ It will enhance monitoring across vulnerable stretches of the **Gurugram–Aravalli landscape**, which faces **encroachment**, **mining**, **tree felling**, and **illegal dumping**, especially in eco-sensitive pockets such as **Gairatpur Bas, Gwal Pahari, and Mangar**.
- ✦ Officials plan to integrate the watchtowers with **camera-based monitoring**, enabling forest guards to **track movement**, **detect intrusions**, and **coordinate with beat staff** more effectively.

About Aravalli Range:

- ✦ The **Aravalli Range** is one of the **oldest fold mountain systems in the world**, stretching across **Haryana, Rajasthan, Gujarat, and Delhi**.
- ✦ It acts as a **natural barrier** preventing desertification from the **Thar Desert** toward the Indo-Gangetic plains.
- ✦ The range hosts critical ecosystems such as **dry deciduous forests**, **scrublands**, and supports species like **Indian leopard**, **striped hyena**, **sambar**, and **Indian peafowl**.
- ✦ Aravallis play a crucial role in **groundwater recharge**, **climate regulation**, and reducing **urban heat island effects** in NCR.
- ✦ Major threats include **illegal mining**, **urbanisation**, **encroachment**, **pollution**, and **habitat fragmentation**.

Nayi Chetna 4.0 Campaign

Why in News?

The **Union Minister for Rural Development**, alongside the **Union Minister for Women and Child Development**, launched '**Nayi Chetna 4.0**', a national campaign under the **DAY-NRLM (Deendayal Antyodaya Yojana – National Rural Livelihood Mission)**.

Key Points

- ✦ The fourth edition of **Nayi Chetna – Initiative for Change** focuses on **strengthening women's safety**, **mobility**, **dignity**, and **socio-economic participation**, especially in **rural India**.
- ✦ The campaign will run **nationwide from 25th November to 23rd December 2025**, led by the extensive network of **Self-Help Groups (SHGs)** under DAY-NRLM.
- ✦ Emphasis given on elimination of **substance abuse**, which was termed a major cause of **domestic violence**, and village-level campaigns for **violence-free communities**.
- ✦ The initiative stresses **women's voices in governance**, safe public spaces, **shared domestic responsibilities**, and recognition of women's economic roles.

DAY-NRLM (Deendayal Antyodaya Yojana – National Rural Livelihood Mission)

- ✦ The DAY-NRLM was launched in **2011** and later **restructured in 2015** to strengthen its implementation framework and outreach. The mission is implemented by the **Ministry of Rural Development**.
- ✦ The scheme aims to **reduce rural poverty** by promoting **self-employment**, **skill development**, and **sustainable livelihoods** through Self-Help Groups (SHGs).
- ✦ It primarily focuses on mobilizing **rural women** into SHGs, providing them with **credit linkages**, **capacity-building support**, and **enhanced access to markets**.
- ✦ It includes key components such as **financial inclusion**, **digital literacy**, and the **diversification of livelihood activities** to improve and stabilize **household incomes** in rural areas.

India to Host Commonwealth Games 2030

Why in News?

Prime Minister congratulated the nation as India has officially won the bid to host the **Centenary Commonwealth Games 2030**, a historic sporting milestone marking 100 years of the Games.

Key Points

About the Commonwealth Bid:

- ✦ India will host the **Centenary Commonwealth Games 2030** in **Ahmedabad**.
- ✦ This achievement represents a major **diplomatic and sporting milestone**, significantly enhancing **India's visibility and credibility** in **global sports governance**.
- ✦ Hosting the 2030 Games aligns with **India's long-term sporting vision**, particularly its efforts to upgrade **sports infrastructure**, strengthen **global event hosting capacity**, and enhance athlete support through programmes

such as **Khelo India** and the **Target Olympic Podium (TOP) Scheme**.

- ✦ India last hosted the **Commonwealth Games** in **2010**, when the event was held in **New Delhi**.

About Commonwealth Games:

- ✦ The **Commonwealth Games (CWG)** is an international multi-sport event held every four years, bringing together athletes from all 56 Commonwealth nations.
- ✦ It was first conducted in **1930** at **Hamilton, Canada** as the **British Empire Games**. India first participated in the **1934 London Games**.
- ✦ The event is governed by the **Commonwealth Sport** (earlier known as **Commonwealth Games Federation**), headquartered in **London (England)**, which ensures that the Games uphold the core values of **humanity, equality, and destiny**.
- ✦ The **2026 Commonwealth Games** are scheduled to take place in **Glasgow, Scotland**.
