Why in News

Recently, the Prime Minister has inaugurated **107th Indian Science Congress**.

It is scheduled to take place between January 3-7, at the **University of Agricultural Sciences (UAS) in Bengaluru, Karnataka**.

Key Points

- The **theme** of the congress for **2020** is **“Science & Technology: Rural Development”**.
- Indian Science Congress is a major focal point for scientists, researchers and academicians interested in various aspects of scientific discoveries and technologies.
- The **previous (2019) session 106th edition** was held at **Lovely Professional University (LPU) in Jalandhar, Punjab**.

Indian Science Congress

- The Indian Science Congress Association (ISCA) owes its origin to the foresight and initiative of two British Chemists, namely, Professor J. L. Simonsen and Professor P.S. MacMahon.
- The first meeting of the Congress was held from January 15-17, 1914 at the premises of the Asiatic Society, Calcutta.
