Why in News

Recently, the Chhattisgarh State Skill Development Authority (CSSDA) has launched a **mobile phone app - 'Rojgaar Sangi'** to help skilled and trained candidates find jobs.

- The app has been developed with the help of **National Informatics Centre (NIC)**.
- The app will also help start-up companies to hire an office staff.
- It will **increase accessibility** for skilled and trained candidates, which in turn will **increase job opportunities**.
- The app is expected to benefit 7 lakh students who were trained under the 705 courses offered by CSSDA.

National Informatics Centre

- NIC of the Ministry of Electronics and Information Technology provides network backbone and **e-Governance** support to the Central Government, State Governments and UT Administrations.
- It was established in 1976 and is located in New Delhi.
