The **National Commission for Scheduled Tribes (NCST)** has recommended that the **Union Territory (UT) of Ladakh** be included in the **Sixth Schedule of the Constitution**.

- **NCST, a constitutional body** to safeguard socio-cultural rights of Scheduled Tribes, was entrusted with the responsibility of examining the status of tribals in Ladakh, by the Centre.
- **If included, Ladakh will be the only UT in the Sixth Schedule.** Also, bestowing such a status to Ladakh would **require a constitutional amendment**.

### Reasons Behind the Recommendation

- It is estimated that **more than 90% of Ladakh's population is tribal**. The primary **Scheduled Tribes (STs)** in Ladakh are **Balti Beda, Bot (or Boto), Brokpa (or Drokpa, Dard, Shin), Changpa, Garra, Mon and Purigpa**.  
Thereby **several distinct cultural heritages** of these communities in Ladakh region needs to be preserved and promoted.
- **Prior to the creation of Union Territory of Ladakh, people in Ladakh region had certain agrarian rights** including right on land which restricted people from other parts of the country to purchase or acquire land in Ladakh.
- Inclusion in the sixth schedule **will help in democratic devolution of powers** in the region and will also enhance the transfer of funds for speedy development of the region.

### Sixth Schedule

- **Autonomous Districts:** The tribal areas in these four states have been constituted as autonomous districts. The **governor is empowered to organise and re-organise the autonomous districts.**
  - The acts of Parliament or the state legislature do not apply to autonomous districts or apply with specified modifications and exceptions.

- **District Council:** Each autonomous district has a district **council consisting of 30 members, of whom four are nominated by the Governor** and the remaining 26 are elected on the basis of adult franchise.
  - The elected members hold office for a term of five years (unless the council is dissolved earlier) and nominated members hold office during the pleasure of the governor.
  - Each autonomous region also has a separate regional council.
- **Powers of the Council:** The district and regional councils administer the areas under their jurisdiction.
  - They can make **laws on certain specified matters like land, forests, canal water, shifting cultivation,** village administration, the inheritance of property, marriage and divorce, social customs and so on. But **all such laws require the assent of the Governor.**
  - They can **constitute** village councils or **courts for trial of suits and cases between the tribes.** They hear appeals from them. The jurisdiction of the high court over these suits and cases is specified by the governor.
  - The district council can establish, construct or manage primary schools, dispensaries, markets, ferries, fisheries, roads and so on in the district.
  - They are empowered to **assess and collect land revenue** and to impose certain specified taxes.
