

Krivak Stealth Frigates

 drishtiias.com/printpdf/krivak-stealth-frigates

Why in News

Recently, the Vice-Chief of the Naval Staff has inaugurated the construction of the **second frigate of the Krivak or Talwar class**.

The construction of the first ship was laid in January, 2021. It would be **delivered in 2026 and the second ship after six months**.

Key Points

- **About:**
 - The Krivak class stealth ships are **being built with technology transfer from Russia by Goa Shipyard Ltd. (GSL)** under '**Make in India**'. Engines for the ships are supplied by **Ukraine**.
 - In October 2016, **India and Russia signed an Inter-Governmental Agreement (IGA)** for four Krivak or Talwar stealth frigates.
 - The **first two frigates will be built in Yantar Shipyard, in Kaliningrad, Russia**. The following two will be built in GSL.
 - The new Krivak frigates will have the **same engines and armament configuration as Yantar's last three frigates** - INS Teg, Tarkash and Trikan. These will be armed with **BrahMos** anti-ship and land attack missiles.
- **Use:**

They are primarily **used to accomplish a wide variety of naval missions** such as finding and eliminating enemy submarines and large surface ships.
- **Existing Frigates:**

The navy already **operates six Krivak III frigates**. The first three joined the fleet between June 2003 and April 2004, followed by another three between April 2012 and June 2013. With the **current contract, the navy will operate 10 Krivak frigates**.

India-Russia Defence Relation

- **About:**
 - Defence cooperation is an important pillar of the **India-Russia strategic partnership**.
 - The two **Defence Ministers meet annually**, alternately in Russia and India, to discuss and review the status of ongoing projects and other issues of military technical cooperation.
 - As India has been spreading its supplier base with Israel, US and France, **Russia still remains a major supplier**.
 - The two sides are successfully moving towards the implementation of an AK-203 rifle contract and 200 Ka-**226T utility helicopter** supplies.
 - **According to a paper** published by Stimson Center, 86% of the equipment, weapons and platforms currently in military service in India are of Russian origin.
- **Joint Exercises:**

Exercise **INDRA**, is a joint, tri services exercise between India and Russia.

- **Russia's Military Equipment Deployed by India:**

- **Navy:**

The Navy's only active aircraft carrier INS Vikramaditya is from Russia. A **nuclear attack submarine** Chakra II is also in service.

- **Army:**

- Army's **T-90** and T-72 main battle tanks.

- **S-400 Triumph missile system.**

- **Air Force:**

IAF's **Su30** MKI fighter.
