Why in News

On September 5, 2021, the **Art and Culture Minister of Rajasthan, Dr. B.D. Kalla** inaugurated the 'Sustain by Artist' art exhibition at **Alankar Gallery of Jawahar Kala Kendra (JKK)**. The exhibition will be held till September 12.

Key Points

- This exhibition is a unique **display of art and decor items made using junk**. Artist in association with Jawahar Kala Kendra has started this initiative to promote upcycling of auto parts using used car parts and automotive waste and curate designer furniture.
- This unique initiative named '**Sustain by Artist**' will be **extended to 33 districts of Rajasthan** for a month. Workshops and exhibitions will be organized in all districts in **collaboration with local artisans**.
- In this unique initiative by Artist, the **old vehicles**, which have become junk and which are thrown in the junk, have been fully utilized. **Every part of the vehicle** like tyre, grille, hood, seat etc. has been used to make furniture and decoration items in this exhibition.
- These scrap parts have been used to create artworks, so that all new artists can be inspired to use many such materials to give it an art form.
