

Women's Help Desk | Jharkhand | 10 Jan 2022

Why In News

- Recently, the **Jharkhand Police Headquarters** has planned to open **Women Help Desks** in most of the urban police stations of the state for better police handling in cases of violence and related violence in the state.

Key Points

- In the first phase, a plan has been made to open **Women's Help Desks** in all the police stations of the capital as well as in **300 police stations** of the state. These women's help desks will be constructed with the **Nirbhaya Fund of the Central Government**.
- 300 tablets will be procured for smooth running of women help desks in police stations of the state. Women helplines **will be opened by February 2022**.
- It is noteworthy that on November 2, 2021, a proposal was sent by the **state's DGP Neeraj Sinha to the Home, Prison and Disaster Management Department** of the State government to open the women's helpline.
- After the order of the state government, the CID has been given the responsibility of taking action in this direction. State ADG CID Prashant Singh has constituted a technical committee for the purchase of laptops.
