

MNIT Got National Level Lawn Tennis and Basketball Court | Uttar Pradesh | 17 Jan 2022

Why in News

- On January 16, 2022, the National Level Synthetic Lawn Tennis and Basketball Court was inaugurated by Prof. Rajeev Tripathi, Director of the Institute at Motilal Nehru National Institute of Technology (MNNIT), Prayagraj.

Key Points

- Along with this he also inaugurated a gym. With this, while on one hand the students have got the facility to play lawn tennis and basketball in the campus itself, on the other hand a high-end gym has also been found to exercise.
- Both these courts and the gym have been built with donations made by the 1987 batch. 32 lakh rupees were spent in its construction.
- With the establishment of this court, students studying in the institute and interested in sports will get an opportunity to play. This will not only help in physical fitness, but will also help in stress management.
- On this occasion, Raj Dubey, a 1987 Mechanical batch alumnus and Executive Director, Indian Oil Corporation Limited also unveiled the logo of MAA designed by Mridula Bhadra, Research Scholar, Department of Biotechnology.
