- It is worth mentioning that the **Sansad Adarsh Gram Yojana** for the development of villages was mentioned by Prime Minister Narendra Modi in his address from the ramparts of the Red Fort on the occasion of Independence Day in 2014. The scheme was launched on October 11, 2014. Under this, the MPs had to select an 'Adarsh Village' in their area and develop it.
- Under the plan, MPs were to adopt three villages in a phased manner between 2014 and 2019 and five between 2019 and 2024.
- Under the scheme, it has been said to develop villages mainly by promoting four sections - individual development, human development, economic development and social development. Under this, works like cleanliness, education, health, nutrition, skill development, basic facilities, social justice and good governance etc. have been included.
- **No separate allocation is made for 'Sansad Adarsh Gram Yojana'** and MPs have to develop it from the funds of MPLAD.
