

Uttar Pradesh government gets Rs 400 crore revenue from 'Mine Mitra' | Uttar Pradesh | 26 May 2022

Why in News?

- On May 25, 2022, a government official of the Uttar Pradesh government informed that the state government has earned a revenue of Rs 400 crore from the mining business through its portal 'Mine Mitra'.

Key Points

- The 'Mine Mitra' portal is used to issue transit passes through mineral management services.
 - The 'Mine Mitra' portal has been developed by the state government to bring transparency in the mining business, check illegal activities and provide accountable e-services to the common people, farmers, lessees and transporters.
 - The portal aims to end monopolies in the mining industry, encourage legal mining, ensure transparency in business and provide a level playing field for new entrepreneurs to increase the revenue of the state.
 - The portal has been developed in consultation with the Directorate of Geology and Mining. At present, it is providing a range of services like online mineral management for lessees, stockists and transporters, services for citizens and farmers, integrated mining monitoring system and e-commerce platform 'Mineral Mart' for consumers and suppliers.

Chhattisgarh: The Second State to Give Forest Resource Accreditation in the National Park Area | Chhattisgarh | 26 May 2022

Why in News?

- On May 25, 2022, Chief Minister Bhupesh Baghel announced that forest resources certificates would be given to forest dwellers in the National Park area during an interview programme held at Mangalpur in Jagdalpur Assembly constituency.

Key Points

- Chhattisgarh will be the second state in the country after Odisha to provide forest resource accreditation in the National Park area.
 - With the grant of forest resource accreditation, more and more opportunities will be available to the forest dwellers for employment as well as income.
 - Along with this, the Chief Minister also made the following other announcements:
 - 15 Gypsy vehicles will be given to tribal youth to promote tourism in Kotamsar area.
 - Swami Atmanand Schools will be started at Dornapal, Kokanar and Tongpal in Sukma.
 - The road will be constructed from Kanakapal to Leda and from Jiram to Elmanar.
 - Adarsh Devguri will be set up at Mawlipadar, Netanar, Pandripani and Madpal.
-

31 New Helipads to Be Built in Uttarakhand | Uttarakhand | 26 May 2022

Why in News?

- On May 25, 2022, Civil Aviation Secretary Dilip Jawalkar said that preparations are being made to construct new helipads at 31 locations to expand the heli services with a view to attract tourists to the state.

Key Points

- These helipads will be built in Dehradun, Uttarkashi, Chamoli, Rudrapur and Almora districts. The cost of constructing the helipad will be borne by the state government itself.
- The state tourism department has directed the district collectors to identify land for helipads near famous tourist spots of their districts so that these lands can be acquired at the earliest and helipads can be constructed and the helipads can be operated here.
- Heli services are being operated from Dehradun to Chinyalisaur, Dehradun to Gauchar, Dehradun to Tehri, Dehradun to Srinagar, Dehradun to Almora and Haldwani to Pithoragarh under the UDAN scheme.
- Heli services are being operated from Dehradun to Kedarnath and from various places in Chamoli districts to Kedarnath and Hemkund Sahib.
- It is worth mentioning that Uttarakhand is full of natural beauty. Somewhere the high mountains and somewhere the velvet bugyals attract the tourists towards them. Here the natural lakes formed between the remote mountains are the center of attraction of tourists as well as of mythological importance.
- The government's effort is to build helipads around such tourist places so that tourists can reach these places through heli services and they have to walk at least on foot. Along with this, they will also be able to see the beauty of snow-laden hills from the sky.
- The state government plans to start heli services at these places through private heli companies. This will not only give revenue to the government, but it will also facilitate the tourists.
- Uttarakhand is also a disaster-sensitive state. Helicopters are used in relief and rescue operations during disasters. The helipads built at the new locations will also prove to be crucial for relief and rescue operations during the disaster.
