

E-Vidhan system | Bihar | 24 May 2022

Why in News?

- On May 23, 2022, Chairman of the Public Undertakings Committee of the Bihar Assembly, Hari Narayan Singh, after taking stock of the e-Vidhan system installed in the Himachal Pradesh Assembly in Shimla, said that the e-Vidhan system will be implemented in the Bihar Assembly as well.

Key Points

- In the e-Vidhana system, a paperless assembly is conducted under which the presentation of the Budget is done through online mode with the exchange of all the Q&A to be asked during the Assembly session.
- The e-Vidhan system in Himachal Pradesh was introduced on 4th August, 2014, which is saving the State Rs.15 crore per annum.
- It may be mentioned that the Bihar Legislative Council on November 25, 2021 became the first House in the country to go fully to the NEVA platform, under which the Winter Session, 2021 was held on the NeVA platform in paperless mode.
