Rajasthan	49	

## What is the National Achievement Survey (NAS)-2021?

### ▪ About:

- It is a **nationwide survey to assess the learning outcomes** and health of the education system.
  - It is the **largest, nationwide, sample-based education survey** conducted across India.
- It is undertaken by the **Ministry of Education**.
  - The Central Board of Secondary Education (CBSE) conducted NAS 2021.
  - The National Council of Educational Research and Training (NCERT) designed an assessment framework and tools for NAS-2021.
- It provides a **system-level reflection on the effectiveness of school education**.
  - It **collects information on relevant background variables** such as school environment, teaching processes, and student home and background factors.
- It **covers the whole spectrum of schools** including Government schools (both State and Central government), Government-aided schools, and Private schools across India.

### ▪ Medium and Grades:

- The **NAS 2021 was conducted in 22 mediums of instruction** that covered English,

Assamese, Bengali, Gujarati, Kannada, Hindi, Malayalam, Marathi, Manipuri, Mizo, Punjabi, Odia, Telugu, Tamil, Bodo, Urdu, Garo, Konkani, Khasi, Bhutia, Nepali, and Lepcha.

- It was conducted in different subjects for different grades. The subject and grades wise break up is below:
  - **Grade 3 and 5:** Language, EVS, and Mathematics
  - **Grade 8:** Language, Science, Mathematics, and Social Science
  - **Grade 10:** Language, Science, Mathematics, Social Science, and English
- **Objective:**
  - To **evaluate children's progress and learning competencies** as an indicator of the efficiency of the education system, so as to take appropriate steps for remedial actions at different levels.
- **Significance:**
  - It will help to **unravel the gaps in learning and will support state/UT governments in developing long term, mid-term and short-term interventions** to improve learning levels and orient on differential planning based on NAS 2021 data.
  - The findings of NAS 2021 will help in **diagnosing a systematic understanding of the consequences** that prolonged closure of schools has had on the learning of students in terms of their socio-emotional and cognitive development.
  - NAS findings will **help in capacity building for teachers**, officials involved in the delivery of education.

## What are the Key Highlights of the NAS 2021?

- **National Average:**
  - The national average **percentage of students for class third was 59%**, which declined by 10% to 49% in class fifth.
  - It further **declined to 41.9% in class eight and then 37.8% in class 10.**
  - The **performance recorded a decline in almost all subjects.**
    - For instance, the **mathematics score nationally was 57% in class third**, dropping by almost 10% to 44% in fifth, and to 36% in class eighth, and 32% in class 10<sup>th</sup>.
  - The **language score nationally was 62% in class third**, and dropped to 52% in class fifth, and to 53% in class eighth.
    - For science, the national score declined from 39% in class eighth to 35% in class 10.
- **Rural and Urban Areas:**
  - The **average performance of schools in rural areas remained “significantly below”** those urban areas in same states and union territories (UTs).
- **Social-Group Wise Performance:**
  - The performance of students from the [schedule caste \(SC\)](#)/ [schedule tribe \(ST\)](#)/ [Other Backward Classes \(OBC\)](#) categories **remained lower than that of students from the general category.**
- **Gender-wise Performance:**
  - The **average performance of girls remained better than the boys in almost all subjects** across the classes, both nationally and at state level.
- **Perception of Students about Learning:**
  - The perception of students about learning at home during the [pandemic](#) when the schools remained closed, and 78% of students termed it as burdensome with a lot of assignments.
  - **At least 38% of students faced difficulties** in learning at home, while 24% said they did not have digital devices at home.

## How did the States Perform?

- The **majority of the states performed significantly below the overall national score**, some states such as Kerala, Rajasthan, Maharashtra and Punjab performed better than the national average.
- **Delhi's performance in class eighth and class 10** was better when compared with the national average.
- **Punjab has scored highest in all subjects for classes 3, 5 and 8.**

## What is the Status of Education in India?

- **Constitutional Provisions:**
  - **Part IV of Indian Constitution**, Article 45 and Article 39 (f) of Directive Principles of State Policy (DPSP), has a provision for state-funded as well as equitable and accessible education.
  - The 42<sup>nd</sup> Amendment to the Constitution in 1976 moved education from the State to the Concurrent List.
  - The 86<sup>th</sup> Amendment in 2002 made education an enforceable right under Article 21-A.
- **Related Laws:**
  - **[Right To Education \(RTE\) Act, 2009](#)** aims to provide primary education to all children aged 6 to 14 years and enforces education as a Fundamental Right.
    - It also mandates 25% reservation for disadvantaged sections of the society.
- **Government Initiatives:**
  - **[National Education Policy 2020](#)**
  - **[Samagra Shiksha \(SS\) 2.0](#)**
  - **[NIPUN Bharat Mission](#)**
  - **[PM Poshan Scheme](#)**
  - **[Unified District Information System for Education \(UDISE\)](#)**
  - **[Performance Grading Index](#)**
