

# Mains MARATHON<sub>2022</sub>

Starting from 11<sup>th</sup> July 2022

Dear Aspirants,

Drishti IAS has always come up with innovative ways to guide you, the aspirant, in your UPSC CSE journey. Earlier we came up with **PT - SPRINT 2022** - the key to your last-minute preparation for UPSC Preliminary Examination. In continuation of this effort, we are introducing our newly launched program i.e., **Mains Marathon 2022** which is a holistic coverage of relevant content to prepare intensively for the UPSC Mains examination.

Our Mains Marathon Program aims to provide you with a **detailed analysis of the most important topics** that were in discussion in and around the world in the last two years.

The topics and questions will be chosen after a thorough analysis of the previous year's question papers and on the recommendation of our experts and faculty.

## What is the Mains Marathon Program?

It is divided into two parts:

1. Compilation of important topics segregated into 11 chapters.
2. Daily Answer Writing Practice with four questions & solutions.

## What are the Key Features of Mains Marathon 2022?

### ➤ Practice, Feedback, and Improve your Approach to Mains Preparation:

- This includes daily answer writing practice, same-day review, and sufficient content for discussion covering almost every aspect of the issues and the related questions on these topics. You can share answers with us by uploading them on our website's comment section. We will provide you with constructive feedback to enhance answer writing skills.

### ➤ **Wider Coverage:** Current affairs of the past year i.e., from January 2021 to May 2022, and **relevant static topics**.

## Why Should You Be a Part of the Mains Marathon?

- It is absolutely free of cost and since it is in PDF format, it is easily **accessible anywhere, anytime**.
- Going through all the topics carefully will help you form a wider and balanced opinion on key issues - a major requirement for writing answers in UPSC CSE Mains.
- You will receive feedback on your answers regularly from our experts.
- Continuous answer writing practice will undoubtedly ensure that you perform your best in the exam.
- Even if you are not appearing for the Mains exam this year, you will be better prepared for the exam in the upcoming year. Moreover, the static portions are evergreen.
