 - **Mission Sagar-III** is part of India's Humanitarian Assistance and Disaster Relief (HADR) assistance to friendly foreign countries during the ongoing **Covid-19 pandemic**.
 - The assistance has been delivered **to Vietnam and Cambodia**. It highlights the importance accorded to **ASEAN countries** and further strengthens the existing bonds.
- **Significance:**
 - **India's extended Maritime Neighbourhood:**
 - These deployments were conducted in solidarity with **India's extended Maritime Neighbourhood** and highlights the importance accorded by India to these special relationships.
 - This is **in continuance with India's role as the first responder** at a time of an exigency to the friendly nations.
 - **Useful in Tackling Terrorism:**
 - The equipment will be **useful as Mozambique is hit by terrorism** in its North.
 - **Terrorist group Islamic State**, also known as **Da'esh**, and its affiliates have rapidly spread in Central Africa.
 - **Tackling Common Maritime Challenges:**
 - This also helps in tackling common maritime challenges (traditional maritime conflicts between nation-states, environmental threats, threats by non-state actors (maritime terrorism and piracy), illicit maritime trades and trafficking) in the region.
 - This was a **major theme of discussion** at the second edition of the **Goa Maritime Conclave** in November (2021) which brings together countries in the **Indian Ocean Region**.

Vision 'SAGAR'

- **Security and Growth for All in the Region (SAGAR)** was launched in 2015. It is India's strategic vision for the Indian Ocean Region (IOR).
- Through SAGAR, **India seeks to deepen economic and security cooperation** with its maritime neighbours and assist in building their maritime security capabilities.
- Further, India seeks to **safeguard its national interests** and ensure the Indian Ocean region to become inclusive, collaborative and respect international law.
- The key relevance of SAGAR emerges when seen in conjunction with India's other policies impacting the maritime domain like **Act East Policy, Project Sagarmala, Project Mausam**, India as 'net security provider', focus on **Blue Economy** etc.
