

Kaziranga National Park: Assam

Why in News

Kaziranga has become **the first in the country to use satellite phones**, which are generally used by the law-enforcing agencies.

- The satellite phones **will give an edge to the forest personnel over the poachers and also during emergencies like floods.**
- The **public is barred from using satellite phones in India.** Satellite phones can connect from anywhere as they are directly connected to satellites around the world and do not depend on terrestrial mobile networks, as cellphones do.
