## Way Forward

- India's approach to Mauritius is being increasingly entrenched within a regional framework, as seen with **Mission Sagar**, India's initiative to deliver Covid-19 related assistance to countries in the Indian Ocean region.
  - To take this engagement further, India needs to **remain proactive in bringing together like-minded partners** such as Mauritius, Comoros, Madagascar, Seychelles, Maldives, and Sri Lanka in numerous and overlapping ways.
- While India and Mauritius **share cultural contiguity dating back to colonial times** and a special partnership in recent years, **India cannot take its influence in Mauritius for granted** and should continue to **enhance its engagement with this important island country**.
- As India takes an integrated view of its security cooperation in the **south western Indian Ocean**, Mauritius is the natural node for it.
  - Therefore, it is important to take course-corrections in **India's Neighbourhood First policy**.
