

Flatted Factory Complex | Uttar Pradesh | 19 Sep 2022

Why In News?

- On September 17, 2022, Chief Minister Yogi Adityanath virtually laid the foundation stone of the proposed flatted factory complex at PPDC in Foundry Nagar, Tajnagari Agra.

Key Points

- The foundation stone of this flatted factory project, to be built at a cost of Rs 125 crore, was to be laid in Navratri, but the Chief Minister changed the foundation stone program and laid its foundation stone on The Birthday of Prime Minister Narendra Modi.
- In this first flat factory premises of the state, 200 entrepreneurs will be able to set up their factories under one roof. The proposed flat factory on 21,500 square meters of land will have a construction area of four lakh square feet. Nine lifts will be installed in the five-storey building.
- Uttar Pradesh Small Industries Corporation Vice Chairman Rakesh Garg said that a 3 MW substation, rain water prevention and solar energy will be arranged in the eco-friendly factory premises. The entrepreneur can start his work as soon as he comes to the flatted factory complex. Here he just has to plug on by putting his machinery, with this, their production will start.
- According to Rakesh Garg, the factory space will be provided to the entrepreneurs at the actual cost price. The industry recorded in the non-polluting white category will be given priority to the garment industry, while new startups will also find a place here. With a garment factory in one place, the buyers coming will get the facility to place all the orders at one place. A display and auditorium will also be built here.
- **Some important things of the state's first flattened factory-**
 - Industrial units will be set up in the four-storey complex.
 - The proposed building at Foundry Nagar will be spread over 21,500 square metres.
 - One lakh square feet area will be used on each floor.
 - Nine lifts will be installed for luggage, employees.
 - A support facility area will be built for industry related supplies on the ground floor.
 - Canteen facility will be available for the employees.
 - Rainwater harvesting, solar panels, STPs will be built.
 - There will be zero discharge campus, separate electricity substation.
 - An 18-metre wide road will be constructed on both sides of the campus.
 - Administrative building blocks will be created for industries.

1.76 Lakh Children were Treated under 'Chirayu' scheme | Chhattisgarh | 19 Sep 2022

Why In News?

- According to the information given by the Chhattisgarh Public Relations Department on September 18, 2022, one lakh 76 thousand children of the state were treated through the 'Chirayu' scheme under the National Child Health Program.

Key Points

- Under the 'Chirayu' scheme, 3081 children suffering from various heart diseases, 603 with lip and palate deformities, 670 with clubfoot and 334 children with congenital cataract have been treated since December 18, 2018.
- So far, 21 thousand 96 children have been treated in this financial year 2022-23 under the 'Chirayu' scheme.
- There are 330 Chirayu teams working across the state to take care of child health. They go to schools and anganwadis across the state to check the health of children and identify their physical deficiencies and diseases and arrange free treatment.
- These children are also marked and registered under Viva Yojna through Mitandin and ANM. These children are examined by the Viva team at a high level and are operated in contracted hospitals.
- The Rashtriya Bal Swasthya Karyakram has been operational in the state since 2014. It aims to provide early treatment by screening for 4D, i.e. defect at birth, disease, deficiency and development delays including disability, in children aged from zero to 18 years.
- Under this, 44 types of diseases are identified and examined and treated in children. Referrals are also made to higher institutions if needed.
- Under the 'Chirayu' scheme, health check-up of newborns aged six weeks from birth is done by delivery point staff, children aged six weeks to six years in Anganwadi centers and children between six years and 18 years of age in government and grant-in-aid schools by Chirayu teams.

New Education Policy can be Implemented in Higher Education | Uttarakhand | 19 Sep 2022

Why In News?

- According to the information received from the media on September 18, 2022, after the primary level in Uttarakhand, the new education policy can be implemented in higher education this month. Union Education Minister Dharmendra Pradhan will launch a new policy in higher education.

Key Points

- Uttarakhand Higher Education Minister Dr. Dhan Singh Rawat said that the curriculum has been prepared under the new education policy in higher education. The annual examination system was implemented due to lack of faculty in universities and colleges, but now it will be abolished and the semester system will be implemented.
- In the curriculum prepared under the new education policy, 70 percent of the curriculum will be applicable equally in all universities, while 30 percent of the syllabus will be able to be changed by the universities according to their own. The course has also been made employable.
- It is known that a task force was constituted under the chairmanship of the Secondary Education Minister to prepare the curriculum under the new education policy by the state universities. The Higher Education Minister was made its Vice President.
- Apart from this, a curriculum formulation committee was formed under the chairmanship of Kumaon University Vice-Chancellor NK Joshi by nominating vice-chancellors of Doon University, Uttarakhand Open University, Shridev Suman University and Almora University as members.
- In July 2022, Chief Minister Pushkar Singh Dhami had launched 'Bal Vatika' in Uttarakhand under the New Education Policy-2020. This made Uttarakhand the first state in the country to implement the new education policy.
- Under this, 4447 Anganwadi centers running in the primary school premises have been started as Bal Vatika. In Anganwadi centers, pre-primary has been named 'Bal Vatika'. A separate curriculum has been prepared for this.
- At present, there are 21 private universities, three deemed universities, one central university and 12 state universities operating in the state.

Ayush Village of 100 Bed Capacity in Uttarakhand | Uttarakhand | 19 Sep 2022

Why In News?

- On September 18, 2022, according to the information received from the media, a 100-bed capacity Ayush village will be established in Uttarakhand to promote Ayurveda medicine system and investment. For this, Arya Vaidya Shala of Kerala agreed and talked about signing an MoU with Ayurveda University.

Key Points

- Recently, a delegation of Arya Vaidya Shala from Kerala, working in the Ayurveda sector towards making Uttarakhand an AYUSH hub, visited Rishikul and Gurukul Ayurveda Colleges in Haridwar and agreed to sign an MoU with the university for research work on Ayurveda in collaboration with the state.
- The delegation held a meeting with Governor Lt Gen Gurmeet Singh (Sen.), Chief Secretary Dr. SS Sandhu, Secretary Ayush Dr. Pankaj Kumar Pandey and discussed the roadmap for promotion of Ayurveda in detail.
- The Governor told the delegation to promote Panchakarma, Marma therapy and give priority to publicity. In addition, emphasis was placed on the use of aromatic plants and herbs in daily life. He said that more than 179 aromas and more than 200 herbs are found in the state.
- The CEO of Arya Vaidya Shala, Dr. GC Gopala Pillai, who was part of the delegation, suggested the

use of 'Wellbeing' instead of the word 'wellness' related to Ayurveda field.
