

Swachh Survekshan 2022: Ghaziabad Got First Place in The State and 12th in The Country | Uttar Pradesh | 03 Oct 2022

Why In News?

- In the Swachh Survekshan 2022 ranking released on October 1, 2022, Ghaziabad has secured the first position in the state and 12th in the country, leaving behind Lucknow, the capital of Uttar Pradesh among cities with a population of more than one million.

Key Points

- This is Ghaziabad's best ranking till date. Earlier in the year 2021, Ghaziabad was ranked second in Uttar Pradesh and 18th in the country. Ghaziabad, with a population of more than 16 lakhs, has got a three-star rating and has been declared as ODF Plus.
- Ghaziabad is followed by Meerut, Prayagraj, Lucknow, Varanasi, Agra and Kanpur among cities with a population of more than 10 lakh.
- Only Ghaziabad and Meerut are included in the top 15 clean cities of the country in 75 districts of Uttar Pradesh. Ghaziabad is at number 12 and Meerut is at number 15. At the same time, Indore remained at number one.
- Similarly, in the city with a population of one lakh to 10 lakh, Noida is fifth in the country and number one in the state. Aligarh is second, Mathura third, Firozabad fourth and Gonda fifth. Apart from Noida, Aligarh and Mathura, no city has been able to make it to the top 100 in the cities with a category of one lakh to 10 lakh.
- Uttar Pradesh's position in the overall ranking has worsened compared to last year. UP was ranked sixth in the 2021 survey, while Uttar Pradesh has been ranked 10th in the 2022 survey .
- Among cities with less than one lakh population, Bijnor got the first position in the best Ganga city, while Varanasi got the second place among Ganga cities with a population of more than one lakh.
- Lucknow Cantonment Board has been selected in the Best City for Innovation and Best Practices.
- Principal Secretary Urban Development Amrit Abhijat said that the state has received a total of 13 awards this year. These include three municipal corporations, four municipal councils and three Nagar panchayats. These include Municipal Corporation Lucknow, Kanpur Nagar and Meerut.

- Similarly, in the West Zone, the award for the fastest growing city in the population category of 15 thousand to 25 thousand goes to Obaidullaganj, the award for the fastest growing city in the category of population below 15 thousand goes to Phufkala, the best innovation in the category of population of 15 thousand to 25 thousand. Petlawad has got the award of and Badauni has got the highest citizen participation award in the country in cities with population of less than one lakh.

- Ujjain and Khajuraho received national awards for their outstanding performance in the Indian Cleanliness League.

Achievements of the State in Swachh Bharat Mission

- Garbage collection is being done in 100% urban areas of the state. For this, more than 5 thousand 423 motorized vehicles have been provided to the urban bodies. GPS and PA systems have been installed in these vehicles.
- Home composting is being encouraged for processing and execution of wet waste. Compost of wet waste stored in centralized composting units of bodies is made. This compost is used as manure in rural areas adjoining urban areas.
- For processing of dry waste, 275 material recovery facility units have been set up in 256 urban bodies.
- The aim is to completely eliminate legacy waste in the bodies. So far, 100% legacy waste of 50 bodies has been processed.
- 60 urban bodies in the state have been covered under 5 Integrated Solid Waste Management Clusters. Apart from this, action is being taken for implementation of stand-alone projects in 316 urban bodies.
- There are 354 FTPs operating in 18 bodies and 51 STPs in 18 bodies prioritizing execution of fecal sludge.

Madhya Pradesh Ranked First in the Country for Maximum Blood Donation | Madhya Pradesh | 03 Oct 2022

Why In News?

- On October 1, 2022, Union Health Minister Dr. Mansukh Mandaviya honored Madhya Pradesh with the award for securing the first position in the country in the Blood Donation Amrit Mahotsav in New Delhi.

Key Points

- State Health Director Anurag Choudhary received this award and informed that Madhya Pradesh stood first in the whole country by donating proportionately maximum blood till October 1 on the last day of Blood Donation Amrit Mahotsav which started from September 17 across the country.
- On the first day of the state on September 17, 31 thousand 514 blood donors donated blood and made a new record in the Amrit Mahotsav. During the entire campaign period, 36 thousand 658 blood donors donated blood in a total of 903 camps.
- Blood donation camps were organized by conducting a special blood donation campaign in the Blood Donation Amrit Mahotsav. On the very first day of the campaign, blood donation camps were organized in all the districts of the state in collaboration with voluntary organizations, NGOs, Red Cross Society, Akhil Bharatiya Terapanth Yuvak Parishad, University and educational institutions.
- Special programs - workshops, rallies, street plays and blood donation camps - were organized by the blood centers of all the districts to increase awareness about blood donation at block and village level. A large number of voluntary organizations and dignitaries participated in these camps along with public representatives and administrative officials of the districts.
- In the Maha-Abhiyan, citizens interested in voluntarily donating blood were also registered so that someone close to them could get blood from the registered blood donor if they need blood.
- Madhya Pradesh has secured the first position in the country in the Blood Donation Amrit Mahotsav organized by the Union Health Ministry from September 17 to October 1, 2022, on the birth anniversary of Prime Minister Narendra Modi.

Swachh Survekshan Gramin, Haryana Second in the Country in 2022 | Haryana | 03 Oct 2022

Why In News?

- On October 2, 2022, Haryana has secured the second position in the country on the basis of Swachh Survekshan Gramin, 2022 for its ODF sustainability and excellent implementation of various components of ODF Plus in 2021-22 under Swachh Bharat Mission Gramin.

Key Points

- Haryana has achieved this position in the category of states with a population of more than 30 lakh in the country.
- The award was received by Haryana Development and Panchayat Minister Devender Singh Babli from President Draupadi Murmu at a function held at Vigyan Bhawan, New Delhi.
- The Development and Panchayat Minister said that along with the officers of Development and Panchayat Development, sanitation soldiers, education department, women and child development department and people and institutions supporting community have also contributed significantly in this achievement.
- It is noteworthy that from September 17, the birthday of the Prime Minister of India, Narendra Modi to October 2, the birthday of the Father of the Nation, Mahatma Gandhi, Swachhta Pakhwada is celebrated every year across the country.
- During the same period, district level 'Swachhta Hi Sewa' program was also run in the state. Under this, cleanliness campaigns were conducted in every village and people were made aware about not using single use plastic and keeping their surroundings clean through rallies, prabhat pherios, signature campaigns, community support and other means.
- Devender Singh Babli said that Bhiwani district has come first in the rural cleanliness survey of the entire country. In 22 villages of Bhiwani district, special structures of rain and dirty water have been made and managed. Along with this, 24 ponds are being renovated and beautified under the Amrit Sarovar project in various villages of the district.
- He said that the Haryana government is also planning to collect garbage from every house in villages on the lines of cities.

President Awarded Rajat Kamal to Mandeep Singh Chauhan of Karnal at National Film Awards | Haryana | 03 Oct 2022

Why In News?

- Mandeep Singh Chauhan of Karnal district of Haryana was honored with Rajat Kamal award by President Smt. Draupadi Murmu for documentary film produced by him at the 68th National Film Awards distribution ceremony on October 1, 2022.

Key Points

- Filmmaker Mandeep Singh Chauhan received the award for his short film "Justice Delayed But Delivered". In the non-feature film category, the film was selected as the best film nationally.
 - Along with Mandeep Singh Chauhan, the director of the film, Kamakhya Narayan Singh, a resident of Mumbai, was also felicitated by the President.
 - The 2020 National Film Awards were recently announced by the Ministry of Information and Broadcasting and were distributed at a glittering ceremony held at Vigyan Bhawan in New Delhi. Dadasaheb Phalke Award, the country's best film industry award, was presented to eminent actress Asha Parekh at the same function.
 - It is known that Mandeep Singh Chauhan, who received the National Film Award, originally belongs to Gondar village of Karnal district. Mandeep Singh Chauhan has been associated with several regional and national news channels to work as an assistant producer of many famous documentary films including 'Hindi in Bollywood'.
 - Produced in Mandeep Singh Chauhan's documentary film Hindi, 'Justice Delayed But Delivered' is a story of decades of inhuman atrocities committed against the Valmiki community in Jammu and Kashmir due to the black provisions of the now-abolished Article 35-A of the Constitution.
 - He was writing on Jammu and Kashmir affairs for years. Virendra Singh Chauhan points out that the amendment of Article 370 and the abolition of 35-A infused new light in the lives of millions like Radhika.
 - He said that due to the secretly added Article 35-A, the Valmiki community there, including Radhika Gill, did not even have the right to apply for government jobs, let alone contest elections. This black article allowed them to become sanitation workers only and only.

Jharkhand Becomes Second Topper in Swachh Survekshan 2022 | Jharkhand | 03 Oct 2022

Why In News?

- On September 30, 2022, in the presence of President Draupadi Murmu at Talkatora Stadium in New Delhi, Union Housing and Urban Affairs Minister Hardeep Singh Puri conferred the Swachh Survekshan 2022 award to Jharkhand as the second topper state in the country among the states with 100 urban bodies.

Key Points

- On behalf of the state government, Amit Kumar, director of the State Urban Development Agency under the Urban Development and Housing Department, received the honor.
- Along with the second topper award to Jharkhand in Swachh Survekshan 2022, some other cities have also been honored in various categories, which are as follows:
 - Chaibasa was awarded for Best Citizen Feedback in the Municipal Bodies having population of 50000 to 100000 of Eastern Zone.
 - Bundu was awarded for best citizen feedback among the municipal bodies with a population of 15000 to 25000 in the eastern zone.
- Three municipal bodies of Jharkhand were also honored in the Indian Sanitation League organized by the Central Government on September 17, 2022 in cities across the country. Union Housing and Urban Affairs Minister Hardeep Singh Puri felicitated Jamshedpur notified area, Mango and Medninagar for their outstanding performance in the Indian Sanitation League.
- It is worth mentioning that the situation of Jharkhand was not very appreciable in Swachh Survekshan 2016, but in the continuous Swachh Survekshan 2017, 2018, 2019, 2020, 2021 and 2022, the state has received many honors in the field of cleanliness with the cooperation of the people of the state and the efficient guidance of urban bodies and the state government.
- The Jharkhand government and its bodies have so far won several awards in the Swachh Survekshan. In the Swachh Survekshan 2022, the department and bodies had taken several important steps-
 - Before Swachh Survekshan 2022, meetings, workshops and campaigns were organized in all the bodies.
 - Programmes were organized to ensure participation of every section of the society.
 - Door-to-door waste collection was ensured in cities and bodies.
 - Segregation and Processing of Waste was given priority.
 - Municipal bodies and citizens were encouraged for peat composting and onsite composting.
 - Recyclers were linked with the civic bodies.
 - Carry bags made of plastic were banned and the use of single-use plastic was reduced.
 - Problems related to cleanliness were quickly diagnosed through the Cleanliness App.

-

CM Launched State-Wide 'Mahatma Gandhi Rural Industrial Park

Scheme' | Chhattisgarh | 03 Oct 2022

Why In News?

- On October 2, 2022, on the occasion of Gandhi Jayanti, Chief Minister Bhupesh Baghel, while launching the ambitious 'Mahatma Gandhi Rural Industrial Park Scheme' statewide, laid the foundation stone of 300 rural industrial parks in different districts of the state. Also released the 'Logo' of Rural Industrial Park 'RIPA'.

Key Points

- It is worth mentioning that on the initiative of Chief Minister Bhupesh Baghel, village Gauthans are being developed as Rural Industrial Parks to provide employment and income sources to the rural poor families. For this various livelihood activities are being conducted here. These parks are being developed as rural production and service centres.
 - Addressing the program, the Chief Minister said that rural industrial parks will play an important role in realizing Mahatma Gandhi's dream of self-reliant and self-reliant villages. Through this scheme, steps have been taken strongly towards making the villages self-reliant.
 - The Chief Minister said that 300 rural industrial parks are being developed in the first phase. For this, one to three acres of land in Gauthans has been reserved for the park. In the first phase, two Gauthans in each development block are being developed as rural industrial parks.
 - In the budget of the current financial year, a provision of Rs 600 crore has been made for Mahatma Gandhi Rural Industrial Park. An amount of Rs 1 crore each has been provided to all the approved rural industrial parks. With this amount, arrangements are being made for training of youth along with construction of working sheds and approach roads in these parks along with providing electricity and water facilities.
 - Units for the manufacture of vermi compost, poultry, goat rearing, agricultural and horticultural crops and processing of minor forest produce are being set up in the Gauthans developed under the 'Suraji Gaon Yojana'. Along with this, flourmill, pulse mill, oil mill is also being established.
 - In these activities, a large number of women and youth of self-help groups in rural areas are getting good means of income along with employment, which is improving their economic condition. Panchayat and Rural Development Department has been made the nodal department for this scheme.
