Film Production Sector will Also get Subsidy in Bihar | Bihar | 22 Nov 2022

Why In News?

- On November 21, 2022, in order to encourage film production in Bihar, the state government has made a new film policy to give industry status to the film production sector, soon proposals related to the film policy will be sent to the cabinet for approval.

Key Points

- Bihar's Art, Culture and Youth Affairs Department has finalized a policy to encourage film making.
- With films getting industry status, people engaged in film production will also get the benefits of subsidy, single window system and other facilities like the industry.
- Under the new policy, if a producer shoots 75 percent of his film in Bihar, he will be given a subsidy according to the cost.
- A single window system has been provided for taking all clearances related to film production, for

which Bihar Film Production Corporation has been made the nodal agency.

- At present, the benefit of subsidy will be available to those who make films in Hindi, Bhojpuri, Magahi, Maithili, Angika and Bajjika languages.
- According to the new provision, if a film is awarded at a national and international festival, it will be given additional subsidy.
- The new film policy also provides for subsidy to increase infrastructure in multiplexes and cinema halls. Right now, many cinema halls in the state are closed or not built in a modern way. In this, subsidy will be given according to the cost.
- With this policy, the government hopes that employment opportunities will increase in the state, local artists and technicians will get employment and respect due to the shooting of films in the state. The State Film Development Corporation will prepare a list of such artists and technicians and also determine their remuneration.
- For the development of the film, the government has taken responsibility from the Tourism Department and given it to the Art, Culture and Youth Department. The department has made the Film Development Corporation the nodal agency for this.
- It is noteworthy that superhit films like Gandhi in Bihar, Manjhi The Mountain Man in Gaya and Half Girlfriend have been shot at Gandhi Ghat on the banks of Ganga in Patna.

Kesari Singh Barhath Panorama will be Constructed in Shahpura of Bhilwara | Rajasthan | 22 Nov 2022

Why In News?

- On November 21, 2022, Rajasthan Chief Minister Ashok Gehlot approved a proposal of Rs 4 crore for the construction of a panorama of freedom fighter Kesari Singh Barath at Shahpura in Bhilwara, the state.

Key Points

- Ashok Gehlot said that along with the construction of the panorama of Kesari Singh Barath, various construction works including the main panorama building, boundary wall, path-way, auditorium, library, audio-video system, various art works, entrance, statue and umbrella, inscription will also be done.
 - From the panorama, the general public will get information about the work and personality of the brave revolutionary Kesari Singh Barhath. The younger generation will be educated and awakened towards their rights.
 - For this panorama, Barhath Samaj of Bhilwara Assembly Constituency, Amar Shaheed Ku. The demand was made by Pratap Singh Barhath Seva Sansthan and Kesari Singh Barhath Smarak Samiti etc. According to their sentiments, the Chief Minister has given this approval.
 - It is notable that Kesari Singh Barhath first rekindled the extinguished fire of revolution for the independence of the country in Rajasthan. Inspired by Swami Dayanand and great revolutionaries Shyamji Krishna Verma, Arvind and Lokmanya Tilak, he started making vigorous efforts for armed revolution.

All 15 Districts Including Indore in A Grade in Redressal of Electricity Complaints in CM Helpline | Madhya Pradesh | 22 Nov 2022

Why In News?

- On November 21, 2022, Rajasthan Chief Minister Ashok Gehlot has given financial approval of Rs 993.51 crore for the construction of Phase 1-C of Jaipur Metro, taking an important decision in the direction of making the Metro facility more accessible to the residents of Jaipur.

Key Points

- Due to increase in consumer facilities, intensive supervision of power supply and daily review by the nodal officer in 15 districts, the power complaints coming to the CM Helpline 181 are being resolved quickly and in an acceptable manner.
- Amit Tomar, Managing Director, Madhya Pradesh PSEB, Indore said that getting 'A' grade confirms the work being done on time, according to rules and with satisfaction.
- At the company level in Malwa-Nimar, Chief General Manager Rinkesh Kumar Vaish and Joint Secretary Tarun Upadhyay review the redressal of complaints coming to the CM helpline daily.
- The Managing Director said that along with this, the officers of 15 districts also get the electricity problems and complaints resolved in their area in a timely manner.
- As per the parameters of CM Helpline 181, there is continuous improvement in the condition of the company since last 7 months in resolution of complaints. Earlier some districts were in 'B' category, now all fifteen districts are in 'A' category.
- In the latest released list, Shajapur, Indore, Agar-Malwa, Dhar, Jhabua, Alirajpur, Dewas, Khandwa, Khargone, Barwani, Burhanpur, Ratlam, Mandsaur, Neemuch and Ujjain districts have come in 'A' category.

IIT Delhi's Extension Campus | Haryana | 22 Nov 2022

Why In News?

- On November 20, 2022, Haryana Chief Minister Manohar Lal told in a meeting with the officials of IIT Delhi at Haryana Bhawan in Delhi that an extension center of IIT Delhi would be set up on about 50 acres of land in village Badsa in Jhajjar district of the state.

Key Points

- The Chief Minister informed that new health care technologies will be developed by incorporating the data of patients received from the National Cancer Institute located at Badsa and the technology of IIT Delhi. This will benefit the patients as well as the players.
- Apart from MSc, PhD, various types of certificate courses will also be conducted in this campus. These special courses and training programs will skill the youth and also create various types of employment opportunities for the local youth.
- He told that this campus will become India's first center for precision medicine, that is, what type of medicine is required by a particular patient, through research and development of medicine. For this, bioengineering solutions will be found after ascertaining the need of the patient from the medical experts, which will benefit the pharma companies.
- Medical experts will be able to develop a new drug for cancer patients based on the research of medical experts from the National Cancer Institute and technical experts from IIT Delhi, which will be suitable for the treatment of patients.
- The Chief Minister said that in order to help the players perform better in this campus, techniques to perform better in sports and prevent injuries will also be developed. Players from the state are already doing well at the national and international level and when they get technical help they will be able to perform even better.
- This technique will prove to be very useful for Paralympic players. It was suggested to develop the technology and research developed for the players in coordination with the Sports University Rai (Sonapat), so that the players can get maximum benefit out of it.
- Apart from this, techniques will be developed for the treatment of cancer patients using medical imaging and artificial intelligence in this campus, so that the source of cancer tissue can be detected and then the need to remove the entire organ affected by cancer in the body. Will not have to For example, dental implants, hip protection devices in the elderly, prosthetic knee joints, etc.

33rd National Sports Competition | Haryana | 22 Nov 2022

Why In News?

- On November 20, 2022, Haryana Governor Bandaru Dattatreya inaugurated the 33rd National Sports Competition by Vidya Bharati All India Institute of Education at the sports complex of Kurukshetra University.

Key Points

- Narayan, principal of Vidya Bharti All India Institute of Education, Kurukshetra, said that it is a very big tournament of sports going on till November 23. As many as 728 women and men athletes are participating in various athletics events.
 - The event will be held under the guidance of around 100 judges. This tournament will produce good players, who will bring glory to the country in the future. Not only this, the younger generation will get a new direction.
 - The Governor said that Haryana has emerged as a sports hub due to the sports policy of the Central Government and the State. Haryana, despite being only two and a half percent of the country's population, brought glory to India in sports.
 - He said that under the new sports policy of the state, the Haryana government has given Rs 100 crore as cash prize to the sportspersons in a year. Along with this, a provision of Rs 600 crore has been made for sports in the state budget, which is more than any big state. New Sports Rules-2021 have been made to ensure secure employment for outstanding players in the state.

Documentary Film on Haat Bazar Clinic Scheme | Chhattisgarh | 22 Nov 2022

Why In News?

- On November 21, 2022, Chief Minister Bhupesh Baghel released a documentary film prepared by WHO on the Haat Bazar Clinic Scheme of the Chhattisgarh government in a program organized at his residence office. The film will be screened at the World Health Organization's headquarters in Geneva.

Key Points

- WHO representative Dr. Hilde D. Greve, present on the occasion, said that the last person of the state is getting the benefit of the Chief Minister's Haat Bazar Clinic Scheme. This innovation is not there in any other state of the country. Keeping these things in mind, WHO has produced this documentary film, so that this scheme can be promoted not only in other states but also in foreign countries.
- WHO representative Dr. Hilde D. Greve said that the last person of the state is getting the benefit of the Chief Minister's Haat Bazar Clinic Scheme. This innovation is not in any other state of the country. Keeping these things in mind, WHO has produced this documentary film, so that this scheme will be propagated not only in other states but also abroad.
- Chief Minister Mr. Bhupesh Baghel has taken a commendable initiative through this scheme to provide health facilities to the people of remote areas with sensitivity.
- Chief Minister Mr. Bhupesh Baghel said that so far more than 62 lakh 47 thousand people have been provided medical facilities through Haat Bazaar Clinic Scheme.
- Today, the last person of Vananchal region is also getting the benefit of this scheme. Those who could not get their treatment due to distance from the hospital are getting treatment through this scheme near their homes today.
- The Haat-Bazar Clinic Scheme has played an effective role in the success of malaria-free Bastar campaign and Mukhya Mantri Suposhan Yojana. With the operation of this scheme, the cases of diarrhea in Bastar have reduced significantly.

- It is known that 1798 Haat Bazaar Clinic Scheme is being operated in the state with the help of 429 medical mobile vehicles. So far, more than 62 lakh 47 thousand people have been provided medical facilities in the last 4 years through more than 1 lakh 28 thousand Haat Bazar Clinics.
- Under the Haat Bazar Clinic Scheme, 10 types of tests and 60 types of medicines are being given free of cost. Under this scheme, medicines were distributed to more than 57 lakh 35 thousand people and more than 25 lakh people have undergone pathology tests.
- In the Hot Bazaar Clinic scheme, pregnant mothers are being tested, infectious and non-communicable diseases are being tested, eye disease testing, malnutrition testing, skin diseases, diabetes, TB, leprosy, high blood pressure and HIV testing and family planning advice are being given to the people. Vaccination of infants and pregnant women is also being done in these clinics.
- Health Secretary R. Prasanna said that under this scheme, patients are being sent to the nearest Primary Health Center, Community Health Center, District Hospital and Medical College for referral treatment as per the requirement. The number of patients coming to the Haat Bazaar clinic has increased from 18 to 72 in the last 4 years.
