

Connecting Mount Abu, Pushkar, Nathdwara and Pilani in RUIDP

Why in News

Recently, Chief Minister Ashok Gehlot approved the proposal sent by the Department of Autonomous Government to connect **Mount Abu, Pushkar, Nathdwara and Pilani** in Tranche-2 of Phase-4 of **RUIDP under Rajasthan Secondary Towns Development Sector Project (RSTDSP)**.

Key Points

- Various development and beautification works will be done in these four cities linked in RUIDP Phase-4-Trench-2 **funded by [Asian Development Bank](#)**. These development works will strengthen the infrastructure in these areas and tourism will also get a boost.
- Under the proposal, works of drinking water supply, road strengthening and renovation of two ponds of the Nathdwara city will be done at a cost of Rs 80 crore. Besides, tourism development, urban beautification and other development works will be done in Mount Abu, Pushkar and Pilani cities at a cost of Rs. 25 crores.
- It is worth mentioning that in Phase-4 of **RUIDP**, works related to sanitation, drainage, drinking water supply and beautification of tourist places are already underway in 14 cities.
- After linking the four new cities, the **DPR** of the proposed works regarding infrastructure development and beautification of these cities **will be prepared by the respective urban bodies**.
