  - The Sharana movement attracted people from all castes, and like most strands of the Bhakti movement, produced a corpus of literature, the vachanas, that unveiled the spiritual universe of the Veerashaiva saints.
- Basava fought against the inhuman practice of the caste system, which discriminated against people based on their birth.
- The Anubhava Mantapa established by Basava laid down the foundation of social democracy.
- Basava believed that man becomes great not by his birth but by his conduct in the society.
- He taught the dignity of manual labour by insisting on work as worship.

### **Bhakti movement**

- The movement probably began in the Tamil region around the 6<sup>th</sup> and 7<sup>th</sup> century AD and achieved a great deal of popularity through the poems of the Alvars (devotees of Vishnu) and Nayanars (devotees of Shiva), the Vaishnavite and Shaivite poets.
- These saints looked upon religion not as a cold formal worship but as a loving bond based upon love between the worshipped and worshipper.
- Originally began in South India in the 9<sup>th</sup> century with Shankaracharya spread over all parts of India and by the 16<sup>th</sup> century was a great spiritual force to reckon with, especially after the great wave made by Kabir, Nanak and Shri Chaitanya.
