

NCX India

Why in News?

Recently, the [National Security Council Secretariat](#) organised the **National Cyber Security Incident Response Exercise (NCX India)** .

- NCX India will be conducted as a **hybrid exercise** over a period of ten days from 18th to 29th April 2022.
- It is launched with the aim to **train senior management and technical personnel of Government/Critical Sector organisations** and agencies on contemporary cyber threats and handling cyber incidents and response.

What is the National Security Council?

- NSC of India is a **three-tiered organisation** that oversees political, economic, energy and security issues of strategic concern.
- The **National Security Advisor (NSA)** presides over the NSC and is also the primary advisor to the Prime Minister. The current **National Security Advisor is Ajit Doval**.
- It was **formed in 1998**, where all aspects of national security are deliberated upon.

What is NCX India?

- **Platform:** The platform for training is being provided by **CyberExer Technologies**, an **Estonian cybersecurity company** accredited for globally conducting several large cyber exercises.
- **Need: Digital Revolution** taking place in the country and the launch of a large number of **digital services by the Government**.
 - In this context, Cyber Security remains the foundation of **any successful Digital Transformation**.
 - Any threats in cyberspace directly impact our social, economic and National Security and thus, there is a need to safeguard our Cyberspace.
- **Training Module:** The participants will be trained on various key cyber security areas such as **Intrusion Detection Techniques, Malware Information Sharing Platform (MISP), Vulnerability Handling & Penetration Testing, Network Protocols & Data Flows, Digital Forensics**, etc.
- **Envisaged Goal:** NCX India will help strategic leaders to **better understand cyber threats, assess readiness, and develop skills** for cyber crisis management and cooperation.
 - This will also help develop and test **cybersecurity skills, teamwork, planning, communication, critical thinking, and decision-making**.

What are Present Government Initiatives for Cyber Security?
