  - **Power to Form Own Procedure:** To ensure speedy disposal of complaints, the committee proposed that the tribunal should not function as a civil court but may choose its own procedure to deal with each complaint.
  - **Expanding Scope of Act:** Domestic workers should be included within the purview of the Act.
    - The Committee said any “unwelcome behavior” should be seen from the subjective perception of the complainant, thus broadening the scope of the definition of sexual harassment.
- Women's role is continuously expanding in today's India and the expansion of the role of **the NCW is the need of the hour.**
  - Further, the State Commissions must also widen their ambit.
- Violence against women continues to be an obstacle to achieving equality, development, peace as well as to the fulfillment of women and girls' human rights.
  - All in all, the promise of the [Sustainable Development Goals \(SDGs\)](#) - to leave no one behind - cannot be fulfilled without putting an end to violence against women and girls.
- Crime against women cannot be resolved in the court of law alone. A **holistic approach & changing the entire ecosystem is what is required.**
