

## Indian Telegraph Right of Way (Amendment) Rules, 2021

## Why in News

Recently, the Central Government has notified the **Indian Telegraph Right of Way (Amendment) Rules, 2021.** 

The rule aims to incorporate the provisions related to nominal one-time compensation and uniform procedure for establishment of Overground Telegraph Line in the Indian Telegraph Right of Way Rules, 2016.

## **Key Points**

- About:
  - Compensation: The amount of one-time compensation for establishment of an overground telegraph line will be a maximum one thousand rupees per kilometre.
  - Right of Way (RoW): These amendments will ease RoW related permission procedures for establishment and augmentation of digital communications infrastructure across the country.
    - Earlier, the RoW Rules had covered only underground Optical Fibre Cable (OFC) and mobile towers.
  - Fees: There will be no fee other than Administrative fee and Restoration charges for establishing, maintaining, transferring or shifting the underground and overground telegraph infrastructure.
- Significance:
  - The <u>digital divide</u> between <u>rural-urban</u> and <u>rich-poor</u> will be bridged, in line with the <u>Digital India mission</u> and <u>BharatNet project</u>.
  - **E-governance** and financial inclusion will be strengthened.
  - Doing business will be easy.
  - <u>Information and communication</u> needs of citizens and enterprises will be fulfilled (including <u>5G</u>).
  - The dream of India's transition to a <u>digitally empowered economy</u> and society will be translated into reality.
