MANI App by RBI

Why in News

The Reserve Bank of India (RBI) has launched a **mobile app- Mobile Aided Note Identifier (MANI)** to help **visually-impaired people to identify the denomination of currency notes.**

- There were reports of problems faced by visually-challenged people in identifying new currency notes launched after demonetisation (2016).
- The application **can scan the currency notes** using the camera of the mobile phone. However, the app **does not authenticate** a note as either **genuine or counterfeit.**
- It also gives **audio output** in **Hindi and English.**
- The application will work on Android and iOS operating systems. It will work in offline mode once installed.
