

## Revamped PM-Surya Ghar Muft Bijli Yojna

[Source: TH](#)

The Centre has tweaked the new ₹75,000-crore [PM-Surya Ghar Muft Bijli Yojna](#) (**Prime Minister's Rooftop Solar: Free Electricity Scheme**)

- Originally intended to **fully subsidise installation of 1-3 Kilowatt (KW) solar systems in 1 crore households**, the scheme now offers **up to 60% coverage of costs**, with households required to cover the remainder, albeit with accessible loans.
  - The scheme envisaged **to generate up to 300 units of free electricity every month** which would translate to benefits of ₹15,000-18,000 annually for households.
- India had aimed to install 40 GW of [rooftop solar](#) by 2022 but has only achieved approximately 12 GW thus far.
  - Currently a rooftop solar system costs about **₹50,000** per KW.
