For Mains: Parliamentary Panel for MSME Finances, Industrial Growth

Why in News?

Recently, the **Parliamentary standing committee** on finance has **suggested several measures** for strengthening credit flow to the **[Micro, Small and Medium Enterprises \(MSMEs\) sector](#)**.

Why is there a Need for Improving Credit Flow to MSME Sector?

- **Lack of Formalization:** The need for formalising the credit ecosystem for MSMEs has assumed significance as less than **40% of 6.34 crore MSMEs**, as per government data, borrow from the formal financial system.
 - The overall credit gap in the MSME sector is estimated to be **Rs. 20-25 lakh crore**.
- **Lack of Integrated Data:** The last MSME survey was conducted by [National Sample Survey Office \(NSSO\)](#), **Ministry of Statistics and Programme Implementation** six years ago while the government had **revised the MSME definition in 2020**.
 - The committee noted that whatever data is there with regard to the MSME sector, they **exist in a fragmented manner** and there is **no real integration across multiple datasets**.
 - This is the reason why **banks were reluctant** in lending to the MSME sector.

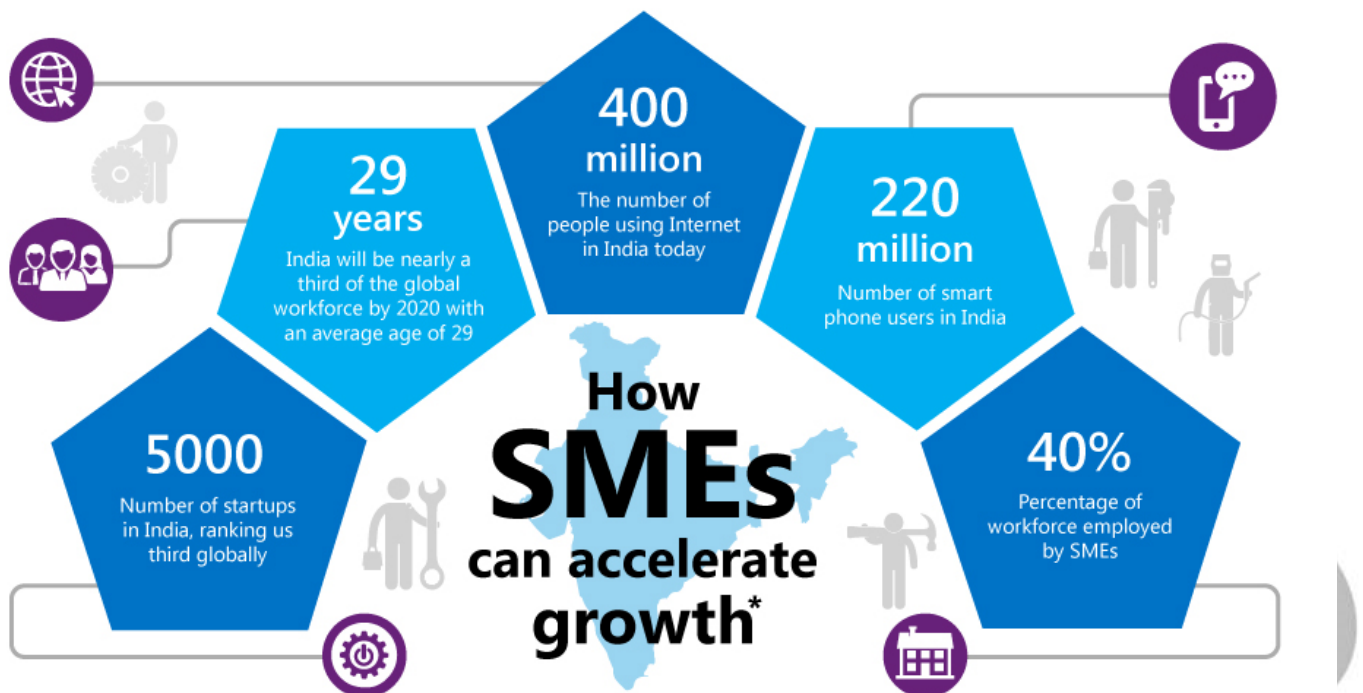

What does the Panel Suggest?

- **One-Stop Central Data Repository:** Developing the **[Udyam portal](#) into a one-stop central data repository** for the MSME sector by linking it with other databases such as CIBIL data, utility bills data etc.
 - The portal is currently already linked with the [Government e-Marketplace \(GeM\)](#), **Income Tax**, **GST** and **[Trade Receivables Discounting System \(TReDS\)](#) portals**.
 - Further, **Budget 2022** announced linking the Udyam portal with **[e-Shram](#)**, **[National Career Service \(NCS\)](#)** and **[Atmanirbhar Skilled Employee-Employer Mapping \(ASEEM\)](#)** in the budget to enhance skilling and recruitment for MSMEs.
- **Innovative Lending System:** Creating a '**[Unified Payments Interface \(UPI\)](#) for MSME Lending'** for all MSMEs in the formal sector to access small-ticket working capital loans in a **mobile-based, contactless, paperless, and low-cost way**.
- **Vyapar' Credit Card:** the panel also recommended a 'Vyapar' credit card scheme for MSMEs under SIDBI akin to the **[Kisan Credit Card \(KCC\) scheme](#)** of the **[National Bank for Agriculture and Rural Development \(NABARD\)](#)** to bring crores of MSMEs into the formal financial system including street vendors and kirana stores.
 - The credit card can provide short-term working capital loans at low-interest rates and can be further extended to **provide collateral-free loans like the Rs 1 lakh collateral-free**

facility available to KCC holders.

- **MSME Census:** survey/census of MSMEs in line with the changed definition, be conducted at the earliest so as to estimate the actual number of MSMEs in the country along with realistic assessments of their credit requirements.
