

# Supreme Court's Remarkable Case Disposal Surge in 2023

### **Source: TH**

### Why in News?

In a notable development, the <u>Supreme Court(SC) of India</u> has disclosed a substantial increase in the disposal of cases during the year 2023, surpassing the number of cases registered during the same period.

# What are the Factors that Contributed to the High Disposal of Cases?

- The SC disposed of 52,191 cases between January 1 and December 15, 2023, compared to 49,191 cases registered during the same period.
- The Integrated Case Management Information System (ICMIS), implemented in 2017, played a crucial role in achieving the highest disposal numbers.
- The <u>Chief Justice of India</u> streamlined the filing-to-listing timeframe, ensuring cases were **listed** within five days, compared to the previous 10-day requirement.
  - Matters related to bail, habeas corpus, demolition, and anticipatory bail were processed within a day and promptly listed in courts, prioritizing the right to liberty.
- Special Benches were constituted, including those dealing with the death penalty.

# What is Integrated Case Management Information System (ICMIS)?

- ICMIS is a next-generation hybrid **database** adopted by the SC. It integrates various information sources related to cases, such as case status, orders, judgments, appeals, etc.
- ICMIS enables litigants to access and retrieve information online through a user-friendly interface. It also provides real-time updates on the progress of cases.
- ICMIS helps reduce manipulation and delay in case filing and disposal. It also facilitates the online filing of cases and documents through e-filing portals.

# What are the Other Initiatives Related to Reduce Pendency of Cases?

#### e-Courts:

- The Government of India has initiated the <u>e-Courts Integrated Mission Mode</u> Project to <u>computerize District and subordinate courts</u>, enhancing access to justice through technology.
  - Launched in 2007 as part of the <u>National e-Governance Plan</u>, it collaborates with the **e-Committee Supreme Court of India and the Department of Justice.**
  - The project progressed in two phases, with Phase I from 2011-2015 and Phase II starting in 2015, focusing on the computerization of District and Subordinate courts.

#### Fast Track Special Courts (FTSCs):

 <u>FTSCs</u> were established to expedite trials for sexual offenses, especially those under the <u>Protection of Children from Sexual Offences Act (POCSO Act)</u>, addressing delays in regular courts.

- Enacted through the Criminal Law (Amendment) Act in 2018, operates under the Department of Justice, Ministry of Law & Justice.
- Supreme Court Portal for Assistance in Court's Efficiency (SUPACE):
  - <u>SUPACE</u>, a tool designed for judges, functions as a fact and law collection system, providing relevant information for decision-making. While it doesn't make decisions itself, it processes facts for judges seeking input in decision-making.

# **UPSC Civil Services Examination, Previous Year Questions (PYQs)**
