

# CRISP-M Tool for MGNREG Scheme

## Why in News

Recently, the **Climate Resilience Information System and Planning (CRISP-M)** tool for [Mahatma Gandhi National Rural Employment Guarantee Scheme \(MGNREGS\)](#) was launched.

## Key Points

### ▪ CRISP-M Tool:

- It will **help embed climate information** in the **Geographic Information System (GIS)** based planning and implementation of MGNREGS.
  - GIS is a computer system that analyzes and displays geographically referenced information.
- The implementation of CRISP-M will **open up new possibilities for rural communities** to deal with the issues of [climate change](#).
- This tool will be **used in seven states**: Bihar, Jharkhand, Uttar Pradesh, Madhya Pradesh, Chhattisgarh, Odisha and Rajasthan.

### ▪ MGNREGScheme:

- **About:** It is **one of the largest work guarantee programmes** in the world.
- **Launch:**
  - It was launched on 2<sup>nd</sup> February 2006.
  - The **Mahatma Gandhi National Rural Employment Guarantee Act** was passed on 23<sup>rd</sup> August 2005.
- **Objective:**
  - To **guarantee 100 days of employment in every financial year** to adult members of any rural household willing to do public work-related unskilled manual work.
- **Legal Right to Work:**
  - Unlike earlier employment guarantee schemes, the act **aims at addressing the causes of chronic poverty** through a rights-based framework.
  - At least **one-third of beneficiaries have to be women**.
  - Wages must be paid according to the statutory minimum wages specified for agricultural labourers in the state under the Minimum Wages Act, 1948 (now subsumed under Code on Wages, 2019).
- **Demand-Driven Scheme:**
  - The most important part of **MGNREGA's design is its legally-backed guarantee** for any rural adult to get work within 15 days of demanding it, failing which an 'unemployment allowance' must be given.
  - This demand-driven scheme **enables the self-selection of workers**.
- **Decentralised Planning:**

- There is an **emphasis on strengthening the process of decentralisation** by giving a significant role to the [Panchayati Raj Institutions \(PRIs\)](#) in planning and implementing these works.
- The act **mandates Gram sabhas to recommend the works** that are to be undertaken and at least 50% of the works must be executed by them.
