

Government to Make Bihar Leader in Startup Sector

Why in News?

According to the State industry minister Samir Kumar Mahaseth, the government was working on a mission to make **Bihar a leader in the field of** <u>startups.</u>

Key Points

- According to the minister at the Bihar Startup Awards 2024 event at Adhiveshan Bhawan on the occasion of <u>National Startup Day</u> (16th January), Bihar will grow as its startup sector grows.
- At the event awards were presented to several startups active in the state including:
 - Medivisor Pvt Ltd received the Best Startup of the Year award, Ved Prabha Aerospace Pvt Ltd. emerged first runner-up, and Biro Power Pvt Ltd second runnerup in this category.
- Awards were also given in various categories, including women's leadership, agriculture, information technology, e-commerce, electric vehicles and Educational technology.
- Under the Bihar Startup Policy to the entrepreneurs:
 - Interest-free seed funding of up to Rs 10 lakh is provided to budding entrepreneurs for a period of ten years.
 - A 5% higher amount is allocated as seed funding to startups initiated by women, and 15% more for startups led by scheduled castes/scheduled tribes and differentlyabled individuals.
 - A grant of up to **Rs 3 lakh** is given to **individuals participating in acceleration programs**.
 - If investments are received from registered entities and angel investors, matching loans of up to Rs 50 lakh are also provided.

National Startup Day

- It is observed annually on 16th January to appreciate and promote the <u>Indian Startup</u> <u>Ecosystem</u>.
- <u>Startup India initiative</u> was launched on 16th January, 2016, with a vision to cultivate innovation, support startups, and stimulate investments.
- It encompasses initiatives like the Seed Fund scheme and <u>Credit Guarantee Scheme</u>, further aiding startups.
- India has emerged as the 3rd largest ecosystem for startups globally as of 31st May 2023.
 - India **ranks 2nd in innovation quality** with top positions in the quality of scientific publications and the quality of its universities among middle-income economies.
