

OPV Sarthak

Why in News

Recently, an Offshore Patrol Vessel (OPV) for the Indian Coast Guard (ICG) was launched and named as Indian Coast Guard Ship 'Sarthak'.

- OPV Sarthak is the 4th in the series of the indigenous project for 05 OPVs.
- OPVs are long-range surface ships capable of coastal and offshore patrolling, policing maritime zones, control and surveillance, anti-smuggling and anti-piracy operations with limited wartime roles.

Key Points

- Development: OPV Sarthak has been designed & built indigenously by M/s Goa Shipyard Limited (GSL) in line with the government's vision of <u>'Make in India'</u>.
 - It has about 70% indigenous content, thus providing the necessary fillip to the Indian shipbuilding industry and a giant leap towards achieving <u>(Atmanirbar Bharat'.</u>)
- Features:
 - The Ship is fitted with **state-of-the-art Navigation and Communication equipment,** sensor and machinery.
 - It is designed to embark and carry a twin-engine helicopter, four high speed boats and one inflatable boat for swift boarding and Search & Rescue operations.
 - It is also capable of carrying limited **pollution response equipment** to undertake **oil spill** pollution response at sea.
- Use:
- The ship will be deployed extensively for <u>Exclusive Economic Zone (EEZ)</u> surveillance, Coastal Security and other duties as enshrined in the Coast Guard charter of duties, to safeguard the maritime interests of the Nation.

Indian Coast Guard

- The Indian Coast Guard was formally inaugurated on 19th August, 1978. It operates under the Ministry of Defence.
- The organization is headed by the Director General Indian Coast Guard (DGICG) exercising his overall command and superintendence from the Coast Guard Headquarters (CGHQ) located at New Delhi.
- For effective command and control, the Maritime Zones of India are divided into five Coast Guard Regions, namely, North-West, West, East, North-East and Andaman & Nicobar, with the respective Regional Headquarters located at Gandhinagar, Mumbai, Chennai, Kolkata and Port Blair.
- Further, it keeps an eye on the Indian exclusive Economic Zone (EEZ).
- ICG has been a pioneer in inducting indigenous assets which has enabled it to remain operationally available throughout the year.

- The mere presence of ICG units at sea serves **dual objectives of "Deterrence"** and **"Reassurance".**
- It deters people with ill-intent and at the same time reassures the maritime community, as they are aware that ICG will swiftly respond to any distress call or life-threatening situation at sea.

The Vision

• The deterrence created by the ICG is **not limited to the Indian waters**, but collaboration with friendly littoral states as per provisions of bilateral cooperation agreements resulted in successful apprehension and seizure of drugs in **Indian Ocean Region (IOR)**.
