

Tony Blair Foundation and Haryana Government will work together in Various Fields Including Health

Why In News?

On March 2, 2023, former British Prime Minister Tony Blair met Haryana Chief Minister Manohar Lal Khattar at Haryana Bhawan in New Delhi and discussed cooperation and exploring new possibilities on subjects such as health and infrastructure.

Key points

- Tony Blair informed the Chief Minister that his organization Tony Blair Faith Foundation will cooperate in the health sector in Haryana, which will further expand the health sector and strengthen health facilities.
- On this occasion, the Chief Minister said that the Haryana Government is providing tertiary level health facilities in the state. A medical college and nursing college are being opened in all the districts of the state, which will not only meet the shortage of doctors but will also strengthen health facilities.
- On this occasion, Chief Minister Manohar Lal also presented Shrimad Bhagavad Gita and memento to Tony Blair.
