

## Decision to Start 'Two State Level Institutes'

### Why in News

On October 13, 2021, Haryana Chief Minister Manohar Lal Khattar gave approval to start the **State Institute of Advanced Studies in Teacher Education in Gurugram and Kurukshetra**.

### Key Points

- The Chief Minister said that Haryana is **the first state in the country** which has taken the initiative to implement this very ambitious recommendation of the new **National Education Policy**.
- In both these institutes, four-year B.Ed. Students will be given admission in the course from this session itself.
- International standard curriculum of teacher education will be implemented in these institutions. He said that with the start of these institutions, teachers with the latest skills of the 21<sup>st</sup> century would be created in the state, which would strengthen the school education of the state.
