

Arambai Tenggol

The **Arambai Tenggol (AT)**, a **Meitei radical group**, has garnered support from **Members of the Legislative Assembly (MLAs)** in Manipur's Imphal Valley, extracting a commitment to convey the concerns of the people to the Centre.

- Arambai Tenggol started in 2020 as a cultural outfit but soon transformed into a radical organisation.
 - It is one of the two hardline Meitei organisations suspected to be involved in many **Meitei-Kuki clashes**, which broke out in May 2023.
- It is also a revivalist organisation that aims to reestablish the pre-Hindu, **native Sanamahi religion** among Meiteis.
