

Arambai Tenggol

The **Arambai Tenggol (AT), a Meitei radical group**, has garnered support from <u>Members of the</u> <u>Legislative Assembly (MLAs)</u> in Manipur's Imphal Valley, extracting a commitment to convey the concerns of the people to the Centre.

- Arambai Tenggol started in 2020 as a cultural outfit but soon transformed into a radical organisation.
 - It is one of the two hardline Meitei organisations suspected to be involved in many <u>Meitei-Kuki clashes</u>, which broke out in May 2023.

The Vision

 It is also a revivalist organisation that aims to reestablish the pre-Hindu, native Sanamahi religion among Meiteis.
