

Automotive Mission Plan (2016-26)

Why in News

The **Automotive Mission Plan (AMP) 2016-26** is a collective vision by the **Government of India and the India Automotive Industry** to lay down the roadmap for the development of the industry.

- It provides vision on where vehicles, auto components and tractor industry should reach over the **next 10 years** in terms of size, contribution to India's GDP and global footprint in technology, competitiveness and capabilities.
- **AMP(2006-16)** has been successful which made India not only an automobile producing hub but also a designing and development hub.

Vision 3/12/65

- The Indian automotive industry aims to be among the **top 3** of the world in **engineering, manufacture and export** of vehicles and auto components, growing in value to over **12% of India's GDP**, and generating an additional **65 million jobs**.

Objectives

- **Boost to manufacturing: AMP(2016-26)** aims to propel the Indian automotive industry to be the engine of the **"Make in India" programme**; as it is amongst the foremost **drivers of the manufacturing sector**.
 - The Indian automotive sector is likely to contribute in **excess of 12% of the country's GDP** and comprise **more than 40% of the manufacturing sector**.
 - It will **boost Micro, Small and Medium industries** of the country across multiple sectors.
- **Employment:** It intends to make the Indian automotive industry a significant **contributor** to the **"Skill India" programme** and make it one of the **largest job creating** engines in the Indian economy.
 - The industry has numerous **backward and forward linkages** across manufacturing and service sectors which will avail opportunities across formal and informal sectors of the Indian economy.
- **Mobility:** It seeks to **enhance universal mobility** to promote **safe, efficient and comfortable mobility** for every person in the country.
 - It promotes **environmental protection and affordability**, providing a choice to the consumer for accessing multiple options for mobility.
- **Export:** It also aims to **increase net exports** of the Indian automotive industry and to become one of the **major automotive export hubs of the world**.
- **Electric Vehicles:** It also includes vision on new technologies like **electric vehicles and associated infrastructure with** new fuel-efficiency regulations.

Considering the **recent slowdown in the automobile sector**, rigorous implementation of the above automotive plan is expected to improve the overall scenario in the industry.
