

Haryana government approves 2 new police stations in Sonipat district

Why In News

On November 29, 2023, Haryana Chief Minister Manohar Lal has given administrative approval for the establishment of 2 new police stations at village Barota and Farmana in Sonipat district.

Key Points

- The Home Department has decided to set up the police station considering the geographical and demographic factors including total area and population, with an aim to enhance security for the residents of the area.
- Mahipur, Farmana, Nizampura Majra, Maujamnagar, Ridhau, Gorad, Bidhlana, Silana villages falling under Kharkhoda police station have been included in the new proposed Farmana police station.
- Similarly, villages Mandora, Mandauri, Halalpur, Turkpur, Jhinhauli falling under Kharkhoda police station have been included in Barota police station.
- The new police station to be established in Barota will provide service to about 58,100 people, while the Farmana police station will be responsible for the security of about 77,951 people.
