

AMC Repo Clearing Limited

Source: PIB

Why in News?

Recently, the Ministry of Finance inaugurated the Limited Purpose Clearing Corporation (LPCC) called **AMC Repo Clearing Limited (ARCL).**

What is AMC Repo Clearing Limited (ARCL)?

About:

- ARCL is a Limited Purpose Clearing Corporation that provides clearing and settlement services to all trades made in corporate debt securities on the <u>National Stock Exchange</u> (<u>NSE</u>) and Bombay Stock Exchange (BSE).
- It received in-principle approval from the <u>Securities and Exchange Board of India</u>
 (<u>SEBI</u>) under the <u>Stock Exchanges and Clearing Corporations</u> (<u>SECC</u>) Regulations,
 2018.
 - Also, ARCL has been granted Certificate of Authorization by RBI under <u>Payment and Settlement Systems (PSS) Act. 2007</u> to offer Central counterparty clearing house (CCP) services for repo transactions in corporate debt securities.

Functions:

- ARCL offers <u>triparty repo services</u> and central counterparty services to facilitate repo transactions in corporate bonds, which are short-term borrowings backed by securities as collateral.
- ARCL will help to **widen and deepen the corporate bond repo market,** which is currently underdeveloped and illiquid compared to the government bond repo market.
- It allows holders of bonds to meet short-term liquidity needs without liquidating their assets, providing flexibility to market participants.
- ARCL will also reduce the counterparty risk, operational risk and settlement risk for the participants in the corporate bond repo market.

Note:

- Secondary Market: The <u>secondary market</u>, also known as the aftermarket, refers to the financial market where previously issued financial instruments, such as stocks, bonds, derivatives, and other securities, are bought and sold among investors.
- Corporate Bond: Corporate bonds are debt securities issued by corporations to raise capital for various purposes, such as expanding operations, funding projects, or refinancing existing debt.
- Triparty Repo Services: Triparty repo services are financial transactions where a third party,
 often a custodian or clearing agent, acts as an intermediary between the two parties involved in a repurchase agreement (repo).
