

Uttar Pradesh: Major Producer and Exporter of Pharmaceutical Products

Why in News?

According to Chief minister Yogi Adityanath, from being a pharma consumer state, **Uttar Pradesh** is fast moving towards becoming a **major producer and exporter of pharmaceutical products**.

Key Points

- The CM said that the government was building a **Pharma Park spread over 2,000 acres** in **Lalitpur** and was also planning to develop a Medical Device Park.
- He also laid the foundation stone for a **pharmacy building at the Madan Mohan Malviya University of Technology in Gorakhpur**.
 - During the event, the CM also **distributed smartphones and tablets to students** under the **Swami Vivekananda Youth Empowerment Scheme**.

Swami Vivekananda Youth Empowerment Scheme

- Under this scheme, students enrolled in various teaching/training programs of higher/higher **educational institutions, graduate, postgraduate, diploma, skill development, paramedical and nursing students** etc. will get the benefit of this scheme.
- The state government will **distribute tablets/smart phones to the students** through their respective university/college/institute.
- The devices will help in spreading awareness about the various developmental schemes and programs of the government among the students.
