

## Anti-Maritime Piracy Bill

**For Prelims:** Anti-Maritime Piracy Bill, Exclusive Economic Zone, UN Convention on the Law of Sea

**For Mains:** Features and Challenges of Anti-Maritime Piracy Bill, UN Convention on the Law of Sea

### Why in News?

Recently, [Rajya Sabha](#) passed the **Anti-Maritime Piracy Bill** which the government said would provide an effective legal instrument to combat **Maritime Piracy**.

- The **security of sea lanes of communication** is critical as more than 90% of India's trade takes place by sea routes and more than 80% of the country's [hydrocarbon requirements](#) was sea-borne.

### What are the Key Features of the Bill?

- **About:**
  - The Bill provides for **prevention of maritime piracy and prosecution of persons** for such piracy-related crimes.
    - It will apply to all parts of the sea adjacent to and beyond the limits of the [Exclusive Economic Zone](#) of India, i.e., beyond 200 nautical miles from the coastline.
  - The Bill brings into law the **United Nations Convention on the Law of the Sea (UNCLOS)**.
- **Definition of Piracy:**
  - **It defines piracy** as any illegal act of violence, detention, or destruction committed against a ship, aircraft, person or property, for private purposes, by the crew or passengers of a private ship or aircraft. Such acts may be carried out in the **high seas** (beyond the Exclusive Economic Zone of India) or **any place outside the jurisdiction of India**.
    - **Inciting or intentionally facilitating** such acts would also qualify as piracy.
    - It includes any other act that is considered as **piratical under international law**.
  - Piracy also includes **voluntary participation** in the operations of a pirate ship or aircraft used for piracy.
- **Penalties:**
  - An act of piracy will be punishable with:
    - **Imprisonment for life**; or
    - **Death**, if the act of piracy causes or attempts to cause death.
  - An attempt to commit, aid, support, or counsel an act of piracy will be **punishable with up to 14 years of imprisonment**, and a fine.
  - Participating, organising, or directing others to participate in an act of piracy will also be **punishable with up to 14 years of imprisonment**, and a fine.
  - Offences will be considered **extraditable**. This means that the accused can be **transferred to any country for prosecution** with which India has signed an [extradition treaty](#).

- In the absence of such treaties, offences will be extraditable on the basis of reciprocity between the countries.

▪ **Jurisdiction of the Courts:**

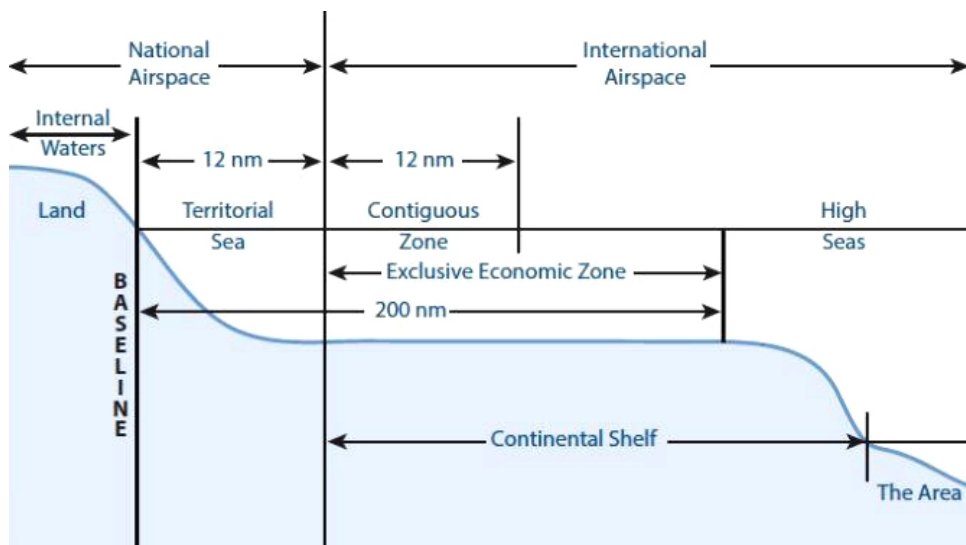

- The central government, in consultation with the Chief Justice of the concerned **High Court**, may notify **Sessions Courts** as the Designated Courts under this Bill.
- The Designated Court will try offences committed by:
  - A person in the **custody of the Indian Navy or Coast Guard**, regardless of his nationality.
  - A citizen of India, a resident foreign national in India, or a stateless person.
- The Court will **not have jurisdiction over offences committed on a foreign ship** unless an intervention is requested by:
  - The country of origin of the ship.
  - The ship-owner.
  - Any other person on the ship.
- Warships and government-owned ships employed for non-commercial purposes will **not be under the jurisdiction of the Court.**

## What are the Key Challenges in the Bill?

- Under the Bill, if a person, while committing an act of piracy causes or seeks to cause death, **he will be punished with death.**
  - This implies a **mandatory death penalty** for such offences.
  - The **Supreme Court** has held that mandatory death penalty for any offence is unconstitutional as it violates **Articles 14 and 21 of the Constitution.**
    - However, **Parliament** has passed laws providing for mandatory death penalty for some offences. **Example:** Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Act, 1989 (SC/ST Act).
  - The Bill provides for imprisonment of up to 14 years if a person participates in an act of piracy. Committing an act of piracy (which includes voluntarily participating in the operation of a pirate ship or aircraft) is punishable with life imprisonment.
    - As these **circumstances may overlap**, it is unclear how the punishment would be determined in such cases.
- The Bill will apply to all parts of the sea adjacent to and **beyond the limits of the Exclusive Economic Zone (EEZ)** of India, i.e., beyond 200 nautical miles from the coastline.
  - The question is whether the Bill should cover the EEZ also, that is the **area between 12 nautical miles and 200 nautical miles** (from the coastline of India).

## What is the UN Convention on the Law of the Sea?

- **The UNCLOS, 1982** is an international agreement that establishes the **legal framework for marine and maritime activities.**
- It is also known as **Law of the Sea.** It divides **marine areas into five main zones** namely- Internal Waters, Territorial Sea, Contiguous Zone, Exclusive Economic Zone (EEZ) and the High Seas.

- It is the only international convention which stipulates a **framework for state jurisdiction in maritime spaces**. It provides a **different legal status** to different maritime zones.
- It provides the **backbone for offshore governance** by coastal states and those navigating the oceans.
- It not only zones coastal states' offshore areas but also provides **specific guidance for states' rights and responsibilities** in the five concentric zones.
- In 1995, **India ratified the UNCLOS**.
