

4th Tiger Reserve in Rajasthan

Why in News

Recently, the **Ramgarh Vishdhari wildlife sanctuary** received a nod from the [National Tiger Conservation Authority's \(NTCA\)](#) technical committee to become the **4th Tiger reserve** of Rajasthan.

- This will be **the 52nd Tiger Reserve of India.**
- The [Global Tiger Day](#), celebrated **on 29th July**, is an annual event marked to raise awareness about tiger conservation.

Project Tiger

- It was launched **in 1973 with 9 tiger reserves** for conserving our national animal, the tiger.
- It is an ongoing [Centrally Sponsored Scheme](#) of the Ministry of Environment, Forests and Climate Change.
- Currently, the Project Tiger coverage has increased to 51 Tiger reserves, spread out in 18 tiger range states which amounts to around 2.21% of the geographical area of our country.
- The tiger reserves are **constituted on a core/buffer strategy**. The core areas have the legal status of a national park or a sanctuary, whereas the buffer or peripheral areas are a mix of forest and non-forest land, managed as a multiple use area.
- The **NTCA was launched in 2005**, following the recommendations of the Tiger Task Force. It is **a statutory body of the Ministry**, with an overarching supervisory/coordination role, performing functions as provided in the **Wildlife (Protection) Act, 1972**.
- **M-STriPES** (Monitoring System for Tigers - Intensive Protection and Ecological Status) is an app based monitoring system, launched across Indian tiger reserves by the NTCA in 2010.
