

Right to Sit

Why in News

Recently, the Tamil Nadu government has tabled a bill to amend Tamil Nadu Shops and Establishments Act, 1947.

The bill sought to add a subsection to mandatorily provide seating facilities for the employees.

Key Points

- Highlights of the Bill:
 - Proposed Amendment: The proposed Section 22-A to the Act reads that the premises of every establishment shall have suitable seating arrangements for all employees so that they may take advantage of any opportunity to sit.
 - **Need of the Bill:** Persons employed in shops and establishments are made to stand throughout their duty time resulting in **varied health issues.**
 - **Significance:** It would benefit thousands of employees of large and small establishments, particularly those working in textile and jewellery showrooms.
- Similar Legislation: A few years ago, workers of textile showrooms in Kerala had gone on a
 protest demanding the 'Right to Sit'.
 - This prompted the Kerala government to amend the Kerala Shops and Establishments Act in 2018 to provide seating arrangements for them.

Way Forward

- The Right to Sit is a novel step in pursuance of Article 42 of Indian Constitution (part of <u>Directive principles of State Policy</u>) which prompts the State to make provisions for just and humane conditions at work.
- Therefore, Parliament should take cognizance of this and make Right to Sit a law on pan-India basis.
