Recently, the Union Ministry of Women and Child Development provided valuable insights into the **Track Child Portal and GHAR - GO Home and Re-Unite portal** during a written reply in the Lok Sabha.

- The Track Child Portal enables tracking of missing and found children across states and UTs, supported by various stakeholders.
  - The "Khoya-Paya" feature allows citizens to report missing or sighted children, fostering community involvement.
- It is also integrated with the <u>Crime and Criminal Tracking & Network Systems</u> of the Ministry of Home Affairs, which allows interoperability in terms of matching of F.I.Rs of missing children
- Further, a portal namely GHAR GO Home and Re-Unite (Portal for Restoration and Repatriation of Child) has been developed and launched by National Commission for Protection of Child Rights to digitally monitor and track the restoration and repatriation of children as per the protocols under the Juvenile Justice (Care and Protection of Children) Act, 2015.
