Indo-Pacific Economic Framework for Prosperity (IPEF) has decided to organise a **Clean Economy Investor Forum** in Singapore on 5th - 6th June 2024.

- The IPEF Clean Economy Investor Forum is one of the initiatives under the IPEF, which was launched in May 2022.
- The Forum aims to mobilise **investments into sustainable infrastructure**, climate technology and renewable energy projects.
- It will provide a platform for climate tech entrepreneurs and companies in India to recognise the top climate tech companies and start-ups among the member countries and present them to global investors.
- The **IPEF comprises four pillars of cooperation** namely Trade, Supply Chain, Clean Economy and Fair Economy.
- It **includes 14 country partners** like Australia, Brunei Darussalam, **Fiji, India, Indonesia, Japan**, the Republic of Korea, Malaysia, New Zealand, Philippines, Singapore, Thailand, the United States and Vietnam.
