

Aadhaar Privacy and Marital Rights

The **High Court of Karnataka** recently highlighted that **marriage does not give one spouse the right to access the other's Aadhaar data** without a fair hearing.

- The court dismissed the notion that marriage merges the identities of spouses, firmly stating that **each individual's right to privacy remains paramount.**
- Emphasizing the necessity of following **due procedure under Section 33 of the Aadhaar (Targeted Delivery of Financial and Other Subsidies, Benefits & Services) Act, 2016**, the court dismissed the notion that marriage merges the identities of spouses, firmly stating that **each individual's right to privacy remains paramount.**
