

LIC's Approach to 'Insurance For All by 2047

The <u>Life Insurance Corporation (LIC)</u> of India in alignment with the 'Insurance For All by 2047' **initiative**, is set to play a pivotal role by introducing tailored products for rural areas and embracing digital transformation.

- The focus is on **extending insurance coverage** to maximum rural masses, aligning with the vision of making India a developed nation by 2047.
- LIC acknowledges the <u>Insurance Regulatory and Development Authority of India (IRDAI)</u>
 proposed 'Bima Vistar,' a composite product covering life, health, and property insurance.
 - The distribution channel for these products, known as 'Bima Vahak,' will be womencentric, in line with the proposed guidelines for dedicated distribution channels at the Gram Panchayat level.
- LIC has initiated a digital transformation project, Digital Innovation and Value Enhancement (DIVE), with a focus on customer acquisition in the first phase.
 - The digital transformation aims to provide efficient services like claims settlement and loans at the click of a button, reducing the need for customers to visit offices.
- LIC is fully owned by the government. It was set up in 1956. It has the biggest share in India's insurance business.
