

Kayakalp Scheme in Rajasthan

Why in News?

The Rajasthan College Education Commissionerate has **instructed 20 government colleges to paint** the front facades of their buildings and entry halls **orange as part of the [Kayakalp scheme](https://www.drishtias.com/kayakalp-scheme)**. The initiative aims to create a "**positive environment**" within educational institutions.

Key Points

- **The Kayakalp Scheme:**
 - The Kayakalp scheme, launched by the **Ministry of Health and Family Welfare**, aims to **enhance cleanliness, hygiene, and infection control across public healthcare facilities** in India.
- **New Directive for Government Colleges:**
 - **First Phase:** In the first phase, **two colleges from each division level** are included, totaling 20 colleges.
 - **Objective of Rejuvenation:** The order emphasizes creating a "**positive, clean, healthy, and educational environment**" for students, where they feel encouraged upon entering college campuses.
