 - **Anna University and Indira Gandhi National Open University (IGNOU)** topped the new State Public Universities and Open Universities categories, respectively.
 - **Symbiosis Skill and Professional University (SSPU), Pune** topped the Skill Universities category.
 - Looking ahead, the Ministry of Education plans to introduce a **new category for Sustainability Rankings in the 2025 edition of the NIRF**, evaluating institutions on their commitment to **environmental sustainability, energy efficiency, and green campus initiatives**.
- **Increased Applications:** The number of unique institutions participating in the rankings increased from 2,426 in 2016 to 6,517 in 2024.
 - The total number of applications also rose significantly, highlighting the growing engagement and recognition of the NIRF rankings.

What is the National Institutional Ranking Framework?

- **About:** The NIRF is a ranking system introduced by the Ministry of Education, Government of India, in 2015. It aims to provide a fair and transparent assessment of higher education institutions across India based on various parameters.
- **Parameters for Ranking:** The NIRF evaluates institutions based on five broad categories.

Note:

- **The National Assessment and Accreditation Council (NAAC)** also evaluates educational institutions. NAAC evaluates and accredits higher education institutions based on a comprehensive **assessment of their overall quality**, encompassing various dimensions. NAAC's accreditation process is **qualitative, focusing on an institution's ability to provide a well-rounded educational experience**.
- The accreditation system **categorises institutions into grades ranging from A++ to D, indicating their overall quality status**.
- In contrast, NIRF's primary role is to rank institutions annually based on specific quantitative parameters, helping **prospective students gauge the relative performance of institutions**

across the country.
